The Trouble with "Truth through Personality" Charles W. Fuller, 2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks's classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ's incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller's contribution

Resolutions of a

Pastor Michael E. Pohlman, 2025-03-12 With the promise of numerical growth pastors are annually bombarded with new leadership techniques and paradigms for ministry Many of these are influenced more by secular business philosophy pragmatic thinking and homespun advice than the Bible The church is left spiritually impoverished and ill equipped to face the challenges of secularization for want of a biblical theological vision for ministry This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical historical and systematic theology The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty first century There is no more important institution in the world than the church And the best way to strengthen the church is to strengthen her shepherds This is the aim of The Resolutions of a Pastor Nine Marks of a Healthy Church (4th Edition) / Siyam na Marka ng Healthy Church (Taglish)

Mark Dever, 2025-08-25 What distinguishes a healthy church from an unhealthy one Nine Marks of a Healthy Church is designed to walk readers through this very question **Ethnic Diversity and Reconciliation** Arend van Dorp, 2022-10-31 Forces of division conflict and fear threaten to separate us from the neighbor who does not look act or pray like us However followers of Christ are charged with embodying a unity that celebrates difference rather than fleeing from it Ethnic Diversity and Reconciliation explores the implications of the church's radical call to inclusive community in the context of Myanmar's long history of ethnic conflict Dr Arend van Dorp outlines the theological foundations for understanding the church's mandate as a diverse and unified missional body while also engaging the very real challenges posed to this mandate by the cultural religious and historical realities faced by Christians in Myanmar He demonstrates that while the challenges are vast so is the potential for transformation and reconciliation when the church takes up its mantle and bears faithful witness to God's love in a fractured world **Forthcoming Books** Rose Arny, 1998-06 Organiser , 1998 九個健康教會的標記 Nine Marks of a Healthy Church (Simplified Chinese), fourth edition Mark Dever 九個, 2023-06-02
