

The background features a stylized, abstract illustration. On the right side, there is a profile of a woman's head and shoulders, rendered in shades of pink and purple. To the left of the profile, there are large, flowing, organic shapes in similar colors, suggesting a flower or a woman's hair. The overall aesthetic is soft and artistic.

Nine Black Women Anthology Nineteenth Century Ebook:

The Broadview Anthology of British Literature: Concise Volume B, 3e - Modified eBook International Edition

Joseph Black et al.,2021-01-01 This Modified eBook version of The Broadview Anthology of British Literature Concise Volume B 3rd edition omits in copyright readings that are found in the print book This ebook is available for purchase in the UK and select international markets The two volume Broadview Anthology of British Literature Concise Edition provides an attractive alternative to the full six volume anthology Though much more compact the Concise Edition nevertheless provides substantial choice offering both a strong selection of canonical authors and a sampling of lesser known works With an unparalleled selection of illustrations and of contextual materials accessible and engaging introductions and full explanatory annotations these volumes provide concise yet extraordinarily wide ranging coverage for British Literature survey courses New to this volume are Samuel Beckett's Endgame and Robert Louis Stevenson's Strange Case of Dr Jekyll and Mr Hyde new authors include Dorothy Wordsworth John Clare Tomson Highway Derek Walcott and Chimamanda Ngozi Adichie The third edition now also offers substantially expanded representation of Irish Scottish and Welsh literatures as well as contextual materials on Gothic literature Modernism and World War II Material that no longer appears in the bound book may in most cases be found on the companion website many larger works are also available in separate volumes that may at the instructor's request be bundled together with the anthology at no extra cost to the student [The Untold Story of Women of Color in the League of Women Voters](#) Carolyn Jefferson-Jenkins,2020-02-24

The Untold Story of Women of Color in the League of Women Voters explores ways in which these women have been marginalized and recognizes how their contributions will positively influence the organization as it moves into its next 100 years On February 14 2020 the League of Women Voters of the United States celebrated the 100th anniversary of its founding Although women of color have always made significant contributions to women's suffrage and the women's movements their contributions particularly as they relate to the League of Women Voters LWV have been marginalized and relegated to the footnotes of the organization's history The Untold Story of Women of Color in the League of Women Voters adds a new dimension to these conversations The book is structured to show the progression of the relationship between the League of Women Voters and its members of color as manifested in changes to its policies practices symbols and messaging It begins with the suffrage movement and continues until the celebration of the 100th anniversary of the League and uses actual correspondence convention minutes existing League histories and personal accounts to tell the League story Chapter titles disclose the philosophical shifts in attitude at each stage of the organization's evolution **Your Daughters Will Prophecy** Lisa Marie Gring-Pemle,Martha

Watson,2025-05-22 How nineteenth century women used the Bible to claim their voice on the moral questions of their day Caught between their identity as Christians and social norms that silenced them American women used scripture to claim moral and then rhetorical agency They reinterpreted familiar biblical passages recovered previously ignored stories about

women and contested passages used to circumscribe women's activities. By strategically adopting a rhetorical posture of dissent, these women became prophetic voices in American society. In *Your Daughters Will Prophesy*, Lisa Marie Gring Pemble and Martha Watson analyze the argumentative resources four women—Jarena Lee, Sarah Moore Grimké, Lucretia Coffin Mott, and Frances Willard—used to counter gendered restrictions and gain access to platform and pulpit, catalyzing what became known as the woman's movement. *The Routledge Introduction to American Life Writing*, Amy Monticello, Jason Tucker, 2023-07-31. The stories of lived experience offer powerful representations of a nation's complex and often fractured identity. Personal narratives have taken many forms in American literature: From the letters and journals of the famous and the lesser known to the memoirs of former slaves to hit true crime podcasts to lyric essays to the curated archives we keep on social media, life writing has been a tool of both the influential and the disenfranchised to spark cultural and political evolution, to help define the larger identity of the nation and to claim a sense of belonging within it. Taken together, individual stories of real American lives weave a tapestry of history, humanity, and art while raising questions about the veracity of memory and the slippery nature of truth. This volume surveys the forms of life writing that have contributed to the richness of American literature and shaped American discourse. It examines life writing as a rhetorical tool for social change and explores how technological advancement has allowed ordinary Americans to chronicle and share their lives with others.

Extreme Domesticity, Susan Fraiman, 2017-01-10. Domesticity gets a bad rap. We associate it with stasis, bourgeois accumulation, banality, and conservative family values. Yet in *Extreme Domesticity*, Susan Fraiman reminds us that keeping house is just as likely to involve dislocation, economic insecurity, creative improvisation, and queered notions of family. Her book links terms often seen as antithetical: domestic knowledge coinciding with female masculinity, feminism and divorce, domestic routines elaborated in the context of Victorian poverty, twentieth-century immigration and new millennial homelessness. Far from being exclusively middle class, domestic concerns are shown to be all the more urgent and ongoing when shelter is precarious. Fraiman's reformulation frees domesticity from associations with conformity and sentimentality. Ranging across periods and genres and diversifying the archive of domestic depictions, Fraiman's readings include novels by Elizabeth Gaskell, Sandra Cisneros, Jamaica Kincaid, Leslie Feinberg, and Lois Ann Yamanaka; Edith Wharton's classic decorating guide; popular women's magazines; and ethnographic studies of homeless subcultures. Recognizing the labor and know-how needed to produce the space we call home, *Extreme Domesticity* vindicates domestic practices and appreciates their centrality to everyday life. At the same time, it remains well aware of domesticity's dark side. Neither a romance of artisanal housewifery nor an apology for conservative notions of home, *Extreme Domesticity* stresses the heterogeneity of households and probes the multiplicity of domestic meanings. *The American Girl Goes to War*, Liz Clarke, 2022-01-14. Introduction: American Girls and National Identity. Fighting Femininity on Home Soil in Civil War Films, 1908 to American Revolution and Other Wars. Featuring Preparedness and Peace or America and the European War. Part I: From Serial Queens

to Patriotic Heroines or America and the European War Part II The American Girl and Wartime Patriotism Conclusion

EBOOK: Sociology and Health Care Mike Sheaff, 2005-07-16 The author's agenda in writing the book was to provoke critical thinking and awareness and to move beyond the simplistic rhetoric that so often characterizes much of public debate on health care matters I have no doubt that he has achieved these aims and more Sociology Volume 43 Number 3 June 2009 Sociology Health Care is easy to read and offers an introduction into selected but key areas of the sociology of health and illness It is a useful book for health care students as well as health care workers who are interested in the social aspects of their work their job and how it all fits into the wider society Sociological Research Online Are patients customers What does this mean for the patient practitioner relationship What should the relationship be between expert knowledge and our own experiences when dealing with health and illness Do people who are better off get better access to health care Debates about the future of health care bring questions about patient choice paternalism and inequalities to the fore This book addresses some of the sociological issues surrounding these questions including The social distribution of knowledge The basis of professional power Sources of social inequalities in health The ability of health care services to address these issues The book provides suggestions and examples of how sociological concepts and insights can be used to help think about important contemporary issues in health care For that reason it has a practical as well as academic purpose contributing to improvement of the quality of interaction between patients and practitioners The core themes running throughout the book are inequalities in health and the rise of chronic disease with particular attention being given to psycho social models of illness which locate individual experiences within wider social relationships Sociology and Health Care is key reading for student nurses and those on allied health courses and also appeals to a wide range of professionals who are interested in current debates in health and social care

Realist Poetics in American Culture, 1866-1900 Elizabeth Renker, 2018-05-25 The terms poetry and realism have a complex and often oppositional relationship in American literary histories of the postbellum period The core narrative holds that realism the major literary movement of the era developed apace in prose fiction while poetry stuck in a hopelessly idealist late Romantic mode languished and stagnated Poetry is almost entirely absent from scholarship on American literary realism except as the emblem of realism's opposite a desiccated genteel twilight of the poets Realist Poetics in American Culture 1866-1900 refutes the familiar narrative of postbellum poetics as a scene of failure and it recovers the active and variegated practices of a diverse array of realist poets across print culture The triumph of the twilight tale in the twentieth century obscured minimized and flattened the many poetic discourses of the age including but not limited to a significant body of realist poems currently missing from US literary histories Excavating an extensive archive of realist poems the volume offers a significant revision to the genre exclusive story of realism and by extension to the very foundations of postbellum American literary history dating back to the earliest stages of the discipline
