Night Photography Finding Your Way In The Dark:

Night Photography and Light Painting Lance Keimig, 2015-05-15 Lance Keimig one of the premier experts on night photography has put together a comprehensive reference that will show you ways to capture images you never thought possible This new edition of Night Photography presents the practical techniques of shooting at night alongside theory and history illustrated with clear concise examples and charts and stunning images From urban night photography to photographing the landscape by starlight or moonlight from painting your subject with light to creating a subject with light this book provides a complete guide to digital night photography and light painting

Night Photography Lance Keimig, Scott Martin, 2010 Rather than looking at night photography as an extension of daytime shooting with added complications embrace the unique challenges of nocturnal photography for the tremendous wealth of creative opportunities it offers

Night Photography Lance Keimig, 2012-10-02 Night photographers have one big thing in common a true love of the dark Rather than looking at night photography as an extension of daytime shooting with added complications they embrace the unique challenges of nocturnal photography for the tremendous wealth of creative opportunities it offers That's just what this book does But if the idea of setting out into the deep dark night with just your camera and maybe a cup of coffee gets your creative juices flowing dive right in Lance Keimig one of the premier experts on night photography has put together a comprehensive reference that will show you ways to capture images you never thought possible If you have some experience with photography and have always wanted to try shooting at night you'll learn the basics for film or digital shooting If you're already a seasoned pro you'll learn to use sophisticated techniques such as light painting and drawing stacking images to create long star trails and more A chapter on the history of night photography describes the materials and processes that made night photography possible and introduces the photographers who have defined night photography as an artistic medium A chapter on how to use popular software packages such as Lightroom and Photoshop specifically with night time shots shows you how to make the final adjustments to your nocturnal creations In this book you'll find history theory and lots of practical instruction on technique all illustrated with clear concise examples diagrams and charts that reinforce the text and inspiring color and black and white images from the author and other luminaries in the field including Scott Martin Dan Burkholder Tom Paiva Troy Paiva Christian Waeber Jens Warnecke and Cenci Goepel with Foreword by Steve Harper

The Other Side of Nothing Anastasia Zadeik, 2025-07-30 A moving exploration of family friendship and how far we are willing to go for the ones we love *The Other Side of Nothing* is a powerful read about loss self determination and second chances 2024 IPPY Awards Gold Medalist for Popular Fiction 2024 Zibby Summer Reads Selection The day after her eighteenth birthday Julia Reeves checks herself into a psychiatric facility longing to find a way out of the grief and guilt that have engulfed her since her father's untimely death What she finds is fellow suicide attempt survivor Sam Lorenzo a brilliant twenty three year old photographer Sam brings beauty and light back into Julia's life so when he asks her to escape

with him on a cross country odyssey she agrees Before Julia can process what she's done the two young lovers are on the run When Julia's mother Laura learns Julia has disappeared and authorities will do nothing to help find her Laura forms an uneasy alliance with the sole person who has as much to lose as she does Sam's mother Arabella Armed with only a handful of clues the two mothers embark on a journey of their own desperately hoping to save their children before they are lost forever

Visual Methods in the Field Terence Heng, 2016-11-10 The use of images particularly photography has been steadily gaining popularity in academia but there has not yet been a book that deals with the act and process of photo taking in the field Drawing upon 21 years of photographic experience and sociological research Terence Heng's immersive and narrative style will introduce photography as a qualitative method discuss the intricacies of challenges in and opportunities for using a camera in the field explore common themes and topics in social science research including photographing rituals space people and objects advise on navigating the always evolving technological landscapes of traditional digital and mobile photography *Visual Methods in the Field* Photography for the Social Sciences is a photography guide written for researchers by a researcher Using in depth ethnographic case studies from research done in various urban environments this book will act as a crucial bridge for students in geography sociology education media studies and other social sciences to incorporate photography into their research repertoire

Dark Nights of the Soul Thomas Moore, 2005-06-16 Every human life is made up of the light and the dark the happy and the sad the vital and the deadening How you think about this rhythm of moods makes all the difference Our lives are filled with emotional tunnels the loss of a loved one or end of a relationship aging and illness career disappointments or just an ongoing sense of dissatisfaction with life Society tends to view these dark nights in clinical terms as obstacles to be overcome as quickly as possible But Moore shows how honoring these periods of fragility as periods of incubation and positive opportunities to delve the soul's deepest needs can provide healing and a new understanding of life's meaning *Dark Nights of the Soul* presents these metaphoric dark nights not as the enemy but as times of transition occasions to restore yourself and transforming rites of passage revealing an uplifting and inspiring new outlook on such topics as The healing power of melancholy The sexual dark night and the mysteries of matrimony Finding solace during illness and in aging Anxiety anger and temporary Insanities Linking creativity spirituality and emotional struggles Finding meaning and beauty in the darkness
