A Consuming Fire John K. Roth, 2016-08-26 No catastrophe challenges treasured beliefs and cherished hopes more than the Holocaust Nazi Germany's genocide against the European Jews during World War II Fueled by virulent racist anti-Semitism that disaster which targeted Judaism as well as every Jewish life within the Third Reich's lethal grasp still underlines the fragile status of human rights and ethics still undercuts optimism about human progress and still undermines confidence about God's moral authority providential engagement with human history and even God's existence itself Elie Wiesel who died in 2016 was one of the relatively few Jews who survived Auschwitz Before and after receiving the Nobel Peace Prize in 1986 he wrote profoundly in varied genres about the reverberations of the Holocaust In *A Consuming Fire* John K Roth a Christian philosopher transformed by Wiesel's writings and friendship explores how to cope constructively with the daunting realization that Christianity and Western philosophy were deeply implicated in the Nazi genocide so much so that in the case of Christianity one can credibly argue No Christianity No Holocaust *A Consuming Fire* is not a biography a literary analysis a philosophical critique or a history Instead it offers a story all its own one that seeks to enliven a post Holocaust Christian humanism an outlook that Roth shares by underscoring his own journey his quest to be responsible and accountable as he responds to Holocaust challenges intensified poignantly and insistently by Wiesel's testimony
