

The background of the entire image is a photograph of the interior of Rosslyn Chapel. The view is from the entrance looking down the nave towards the altar. The architecture is highly detailed, featuring a series of pointed arches supported by columns. The ceiling is a complex web of carvings. At the far end, there are two large, colorful stained glass windows. The lighting is warm and focused on the altar area.

Rosslyn Chapel Revealed:

Rosslyn Chapel Revealed Michael T R B Turnbull,2009-03-01 Rosslyn Chapel Revealed offers the reader an increased understanding and respect for one of Europe s finest pre Reformation buildings Rosslyn Chapel with its fountains in the world of nature still points bravely to the heavens That there is mystery of the esoteric Gnostic variety available only to the initiated few Instead it is knowledge accessible to all of the dynamic intertwining of the created world with the impulse towards self fulfilment Rosslyn Chapel Revealed shows that the chapel is first and foremost a Christian building constructed in the traditions of the pre Reformation Church for the celebration in word gesture and music of the Divine Office and of the ultimate sacrifice Jesus Christ suffered on his cross for the salvation of the human race The stunning beauty of the chapel its unexpected delicacy and the uninhibited humour of its stone carvings which have drawn visitors in such avid numbers from all over the world are a tribute to the honesty and validity of the religious experience to be found within its ancient walls in a breathtaking setting of valley and river that is older than time **Character Counts** Michael Glenn Maness,2010-12

The Rosslyn Sessions Heather Holmes,2025-09-21 Rosslyn Chapel the Collegiate Church of St Matthew Roslin is famous throughout the world as an enigma a place of wonder and mystery as well as beauty Especially from the late twentieth century onwards many books have been written on its history and its pseudo history from a wide range of perspectives This book doesn t seek to challenge them or provide a counter argument to them It records the chapel through a series of 101 channelled sessions with it over a period of two years The chapel uses the author as a channel to share its wisdom and guidance It speaks of its purpose and meaning its story and how it relates to the wider universe as well as more universal themes and issues It provides guidance and wisdom to help the author understand it and give insights into her life and personal development The channelled sessions can be used to understand the chapel and its work and as reflection pieces to understand it its wisdom and guidance **The Seven Seals Revealed** J. Yescas,2025-10-13 If you have been stumped by

the book of Revelation like I have been then this book is for you The book of Revelation is aptly named because it is a revealing book and the time has come for the unsealing of its meaning After reading this fast paced book you ll be able to identify and understand what the seven seals are and what they represent Subsequently this understanding will unravel the mystery of the entire book of Revelation and it will become much less mysterious and frightening and completely understandable And so will many of the end time prophecies in the book of Daniel with which it is inextricably linked Enjoy the ride **Sacred Signs in Reformation Scotland** Stephen Mark Holmes,2015-10-01 Sacred Signs in Reformation

Scotland is the first study of how public worship was interpreted in Renaissance Scotland and offers a radically new way of understanding the Scottish Reformation It first defines the history and method of liturgical interpretation using the methods of medieval Biblical exegesis to explain worship then shows why it was central to medieval and early modern Western European religious culture The rest of the book uses Scotland as a case study for a multidisciplinary investigation of the

place of liturgical interpretation in this culture Stephen Mark Holmes uses the methods of book history to discover the place of liturgical interpretation in education sermons and pastoral practice and also investigates its impact on material culture especially church buildings and furnishings A study of books and their owners reveals networks of clergy in Scotland committed to the liturgy and Catholic reform especially the Aberdeen liturgists Holmes corrects current scholarship by showing that their influence lasted beyond 1560 and suggests that they created the distinctive religious culture of North East Scotland later a centre of Catholic recusancy Episcopalianism and Jacobitism The final two chapters investigate what happened to liturgical interpretation in Scottish religious culture after the Protestant Reformation of 1559 60 showing that while it declined in importance in Catholic circles a Reformed Protestant version of liturgical interpretation was created and flourished which used exactly the same method to produce both an interpretation of the Reformed sacramental rites and an anti commentary on Catholic liturgy The book demonstrates an important continuity across the Reformation divide arguing that the Scottish Reformation is best seen as both Catholic and Protestant with the reformers on both sides having more in common than they or subsequent historians have allowed Pre-Columbian Trans-Oceanic Contact Jerald

Fritzinger,2016-03-14 Pre Columbian Trans Oceanic Contact examines the discovery and settlement of The New World hundreds and even thousands of years before Christopher Columbus was born The Knights Templar and Scotland Robert Ferguson,2011-08-26 Places and books like Rosslyn Chapel and The Da Vinci Code have focused attention on Scotland s Knights Templar Who they were and what they did has been touched upon but never properly explored until now They were close advisors to Scotland s early kings they were major property owners and respected landlords in a harsh and unforgiving time and they were secretive and arrogant But did they really flee from France to Scotland just prior to their arrest in 1307 Did they fight with Robert the Bruce at Bannockburn in 1314 And how did the Templars continue on after Bannockburn In The Knights Templar and Scotland Robert Ferguson intertwines Templar and Scottish history from the foundation of the order in the early twelfth century right up to the present day Including a comparison of the arrest of the Templars in France with the Templar Inquisition at Holyrood and an examination of the part they played at Bannockburn this is an essential book for anyone with an interest in history of the Knights Templar **The Westford Knight and Henry Sinclair** David

Goudswaard,2020-04-06 The Westford Knight is a mysterious controversial stone carving in Massachusetts Some believe it is an effigy of a 14th century knight evidence of an early European visit to the New World by Henry Sinclair the Earl of Orkney and Lord of Roslin In 1954 an archaeologist encountered the carving long known to locals and ascribed a variety of origin stories and proposed it to be a remnant of the Sinclair expedition The story of the Westford Knight is a mix of history archaeology sociology and Knights Templar lore This work unravels the threads of the Knight s history separating fact from fantasy This revised edition includes a new foreword and four new chapters which add context to the myth building that has surrounded the Westford Knight and artifacts like it **America: Nation of the Goddess** Alan Butler,Janet

Wolter,2015-11-17 Explores how a secret cabal of influential families has shaped the United States according to the principles of sacred geometry and Goddess veneration Exposes the esoteric influences behind the National Grange Order of Husbandry Examines the sacred design and hidden purpose of the Washington Monument Reveals how the three obelisks in New York City depict the stars of Orion s Belt Explains how every baseball diamond is actually a temple to the Goddess In America Nation of the Goddess Alan Butler and Janet Wolter reveal how a secret cabal of influential Venus families with a lineage tracing back to the Eleusinian Mysteries has shaped the history of the United States since its founding The evidence for such incredible assertions comes from American institutions such as the National Grange Order of Husbandry and from the man made landscape of the United States where massive structures and whole cities conform to an agenda designed to elevate the feminine within religion and society The authors explain how the Venus families working through the Freemasons and later the Grange planned the American Revolution and the creation of the United States It was this group who set the stage for the Founding Fathers to create Washington D C according to the principles of sacred geometry with an eye toward establishing the New Jerusalem The authors explore the sacred design of the Washington Monument revealing its occult purpose and connections to the heavens They reveal how the obelisks in New York City depict the stars of Orion s Belt just like the Giza pyramids and how the site of one of them St Paul s Chapel is the American counterpart to Rosslyn Chapel in Scotland Exposing the strong esoteric influences behind the establishment of the Grange in the United States they connect this apparently conservative order of farmers to the Venus families and trace its lineage back to the Cisterians who were a major voice in the promotion of the Crusades and the establishment of the Knights Templar The authors conclude with the startling revelation that nearly every city in America has a temple to the Goddess hidden in plain sight their baseball diamonds exposing the extent to which the Venus families are still at work behind the scenes *Pilgrimage to Iona* Claire

Nahmad,2014-09-18 The little island of Iona has a rich tradition of spiritual and historical mystery Legends abound of Jesus and Mary Magdalene alighting and living here for a period prior to the Crucifixion as well as the suggestion that Jesus visited the island with his mother under the escort of Joseph of Arimathea The stories of angel sightings on Iona are legion with claims that the island was once an exalted temple of natural beauty and wilderness where only angels feet trod and no earthliness was allowed to encroach on its sanctity The theme of the book as well as the celebration of sacred Iona as a place of pilgrimage is the unveiling of the the secret of Rosslyn Chapel the unique and extraordinary unfinished little building just beyond Edinburgh that was made famous by Dan Brown s *The Da Vinci Code* Iona and Rosslyn are united by ancient history and particularly by the Culdees the monks of Iona who settled there under St Columba late in the sixth century and who eventually gave rise to the Templars whose secret legacy is said to be the mystery of Rosslyn Chapel The significance of Iona and the veneration it inspires in its pilgrims both reaches back into the depths of history and points towards a spiritual future
