Roots Renewal And The Brethren:

Roots, Renewal, and the Brethren Nathan DeLynn Smith, 1986 De grote spirituele shift Brian McLaren, 2018-05-15

Volgens Brian McLaren staat het christendom op een kantelpunt Steeds meer christenen definiëren zichzelf niet meer in termen van geloof maar leven vanuit liefde Gelovigen identificeren zich steeds minder met georganiseerde religie en meer met het organiseren van religie van het bouwen aan vrede tot het overwinnen van armoede en onrecht Met virtuositeit en compassie nodigt Brian McLaren in *De grote spirituele shift* zijn lezers uit om gebruik te maken van het moment en de belangrijkste bedevaart van deze tijd te ondernemen het christendom christelijker maken *One Lord, One Faith, Second Edition* Rex A. Koivisto, 2009-01-01 One Lord One Faith is a plea and plan to re envision the Church as a broad cross denominational community with a shared faith in the Christ of the Gospel It both affirms the place and inevitability of individual denominational traditions and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community The book seeks to distinguish denominationalism from sectarianism and identifies sectarianism as the true enemy of historic catholicity *My Brother's Keeper* Thomas J. Marinello, H. H. Drake Williams, 2010-01-01 My Brother's Keeper is a collection of essays penned by people interested in educating primarily European church leaders theological educators and missionaries as well as other Christian leaders from around the world All of the authors are related to the ministries of Tyndale Theological Seminary the Netherlands This book is in honor of missionary Hebrew scholar and colleague Ellis R Brotzman upon his retirement Included is material from the fields of biblical studies theological studies and pastoral ministries and missions The articles represent a sampling of the type of teaching provided at Tyndale since its beginnings in 1985 as well as a taste of the ongoing research of some of its members Most of the authors have many decades of experience primarily as missionary professors throughout Europe Others include those with pastoral ministry experience in Europe and North America Theological educators local church leaders and cross cultural workers will find this a worthwhile addition to their personal and school libraries *John Nelson Darby* Marion Field, 2014-10-01 Marion Field focuses on Darby's development and life without judging doctrinal issues she chronicles the story of a brilliant advocate of an insightful but controversial theology *The Essential Handbook of Denominations and Ministries* George Thomas Kurian, Sarah Claudine Day, 2017-03-14 Though the church universal is an ancient institution the contemporary ministry landscape is always changing That's why a new resource with useful information about Christian organizations is needed The Essential Handbook of Denominations and Ministries is an easy to use guide to more than 200 of the largest denominations and 300 ministries in the United States The entries for organizations include a brief history and summary a contemporary profile and discussion on doctrinal emphases creeds membership and interdenominational and ecumenical alliances Pastors ministry leaders community leaders and students will find this resource a helpful guide as they seek to understand Christian denominations and ministries Protestant

Missionaries in Spain, 1869–1936 Kent Eaton, 2015-06-03 Protestant Missionaries in Spain 1869 1936 Shall the Papists Prevail examines the history of the Protestant denominations especially the Plymouth Brethren throughout Europe that attempted to bring their churches to Spain just prior to Spain's First Republic 1873 1874 when religious liberty briefly existed Protestant groups labored feverishly establishing churches and schools designed to gain converts and thereby prove the supremacy of their theology in Spain as the foremost Roman Catholic country Religious liberty was reintroduced in the 1930s during the Second Republic but failed when General Francisco Franco won the Spanish Civil War and unified the culturally and linguistically diverse nation through the doctrine of religious uniformity Equally important is the question of why the Roman Catholic Church felt compelled to expel them from Spain After the First Vatican Council 1869 1870 Spain became the battlefield between Protestants and Catholics each vying to demonstrate their preeminence Using primary sources from Spain and the UK this book recreates the story of these missionaries struggles and examines their motivations for making significant sacrifices *The Popes against the Protestants* Kevin Madigan, 2021-08-17 An account of the alliance between the Catholic Church and the Italian Fascist regime in their campaign against Protestants Based on previously undisclosed archival materials this book tells the fascinating untold and troubling story of an anti Protestant campaign in Italy that lasted longer consumed more clerical energy and cultural space and generated far more literature than the war against Italy's Jewish population Because clerical leaders in Rome were seeking to build a new Catholic world in the aftermath of the Great War Protestants embodied a special menace and were seen as carriers of dangers like heresy secularism modernity and Americanism as potent threats to the Catholic precepts that were the true foundations of Italian civilization values and culture The pope and cardinals framed the threat of evangelical Christianity as a peril not only to the Catholic Church but to the fascist government as well recruiting some very powerful fascist officials to their cause This important book is the first full account of this dangerous alliance Renaissance and Reformation William Roscoe Estep, 1986 Readable and informative this major text in Reformation history is a detailed exploration of the many facets of the Reformation especially its relationship to the Renaissance Estep pays particular attention to key individuals of the period including Wycliffe Huss Erasmus Luther Zwingli and Calvin Illustrated with maps and pictures One Lord, One Faith Rex A. Koivisto, 1993
