Rose My Life In Service To Lady Astor:

Rose: My Life in Service to Lady Astor Rosina Harrison, 2011-12-27 In 1928 Rosina Harrison arrived at the illustrious household of the Astor family to take up her new position as personal maid to the infamously temperamental Lady Nancy Astor who sat in Parliament entertained royalty and traveled the world She s not a lady as you would understand a lady was the butler s ominous warning But what no one expected was that the iron willed Lady Astor was about to meet her match in the no nonsense whip smart girl from the country For 35 years from the parties thrown for royalty and trips across the globe to the air raids during WWII Rose was by Lady Astor s side and behind the scenes keeping everything running smoothly In charge of everything from the clothes and furs to the baggage to the priceless diamond sparklers Rose was closer to Lady Astor than anyone else In her decades of service she received one 5 raise but she traveled the world in style and retired with a lifetime s worth of stories Like Gosford Park and Downton Abbey ROSE is a captivating insight into the great wealth upstairs and the endless work downstairs but it is also the story of an unlikely decades long friendship that grew between Her Ladyship and her spirited Yorkshire maid *Rose* Rosina Harrison, 1975 Autobiography about life in domestic service as personal maid to Nancy Lady Astor [The Mistresses of Cliveden](#) Natalie Livingstone, 2015-07-02 It covers three centuries of high living high politics and high drama it is so fascinating MEL SYKES _____ A Sunday Times bestseller Five women One house One extraordinary history Even today Cliveden retains its royal mystique it is where Meghan Markle and her mother spent the night before the royal wedding but from its construction in the 1660s to its heyday in the 1960s Cliveden has played host to a dynasty of remarkable and powerful women Anna Maria Elizabeth Augusta Harriet and Nancy were five ladies who over the course of three centuries shaped British society through their beauty personalities and political influence Restoration and revolution aristocratic rise and fall world war and cold war form the extraordinary backdrop against which their stories unfold An addictive history of the period and an intimate exploration of the timeless relationships between people and place *The Mistresses of Cliveden* is a story of sex power and politics and the ways in which exceptional women defy the expectations of their time **A Woman's Will** Viki Holton, 2023-07-15 Unearths the lives of British women over 1 000 years using the rich historical record of their wills and legacies **The Lady's Maid** Rosina Harrison, 2011-06-23 I was able to get on well with everyone below stairs and above or so I thought until I began working for Lady Astor In 1929 Yorkshire lass Rosina Harrison became personal maid to Lady Astor the first female Member of Parliament to take her seat and wife of one of England s wealthiest lords Lady Astor was brilliant yet tempestuous but outspoken Rose gave as good as she got For 35 years the battle of wills and wits raged between the two women until an unlikely friendship began to emerge *The Lady s Maid* is a captivating insight into the great wealth upstairs but also the endless work downstairs but it is Rose s unique relationship with Lady Astor that makes this book a truly enticing read Please note *The Lady s Maid* is the new title for the book originally published as *Rose* *The Cliveden Set* Norman

Rose,2011-02-28 Lloyd George once spoke of a very powerful combination in its way the most powerful in the country Its proceedings were invariably conducted at Cliveden the country estate of the fabulously wealthy Nancy and Waldorf Astor Collectively dubbed God s Truth Ltd the group included leading politicians academics writers and newspaper editors Its pedigree impeccable its social standing beyond reproach its persuasive powers permeated the clubs and institutions of London the senior common rooms of Oxbridge colleges the quality press and the great country houses of England Suddenly in the late 1930s the Cliveden Set was catapulted into uncalled for notoriety It had been identified as a cabal that sought to manipulate even determine British foreign policy in order to uphold its narrow class interests It would use any means however devious even negotiate a humiliating dishonourable settlement with Nazi Germany to maintain its privileges those of a decaying ruling class But was the Cliveden Set a traitorous cabal challenging the constitutional structures of British democracy or simply an unstructured think tank of harmless do gooders Norman Rose discerningly probes this fascinating tale brilliantly disentangling fact from fiction and setting this privileged clique in the wider perspective of its times
