trips to Jerusalem and Berlin into a critical reconstruction of the life and vision of Hazzan Mordecai Gustav Heiser in the multiple contexts that shaped him Coming of age in Berlin in the afterglow of the Second German Empire young Gustav had tasted European Jewish culture in a rare state of refinement and modernity But by January 30 1940 when he reached New York with his wife and two and a half year old daughter Cantor Heiser had lost nearly all of his living family relations to the extermination programs of the German Reich and narrowly survived incarceration at Sachsenhausen himself While Cantor Heiser s art was steeped in nineteenth century tradition Schmidt contends that Heiser s music was a powerful affirmation of Jewish life in the twentieth century In a final chapter Schmidt describes his influence on the American cantorate and American culture and society City of Life, City of Death Max Michelson, 2004-09-15 City of Life City of Death Memories of Riga is Max Michelson s stirring and haunting personal account of the Soviet and German occupations of Latvia and of the Holocaust Michelson had a serene boyhood in an upper middle class Jewish family in Riga Latvia at least until 1940 when the fifteen year old Michelson witnessed the annexation of Latvia by the Soviet Union Private properties were nationalized and Stalin s terror spread to Soviet Latvia Soon after Michelson s family was torn apart by the 1941 Nazi invasion of the Soviet Union He quickly lost his entire family while witnessing the unspeakable brutalities of war and genocide Michelson s memoir is an ode to his lost family it is the speech of their muted voices and a thank you for their love Although badly scarred by his experiences like many other survivors he was able to rebuild his life and gain a new sense of what it means to be alive His experiences will be of interest to scholars of both the Holocaust and Eastern European history as well as the general reader
