Royal Pains A Rogues Gallery Of Brats Brutes And Bad Seeds:

Royal Pains Leslie Carroll,2011 Compendium of the most infamous capricious and insatiable bluebloods of Europe

Royal Pains Leslie Carroll,2011-03-01 The author of Notorious Royal Marriages presents some of history's boldest baddest and bawdiest royals The bad seeds on the family trees of the most powerful royal houses of Europe often became the most rotten of apples her violent autocrats Vlad the Impaler and Ivan the Terrible literally reigned in blood Lettice Knollys strove to mimic the appearance of her cousin Elizabeth I and even stole her man And Pauline Bonaparte scandalized her brother Napoleon by having a golden goblet fashioned in the shape of her breast Chock full of shocking scenes titillating tales and wildly wicked nobles Royal Pains is a rollicking compendium of the most infamous capricious and insatiable bluebloods of Europe

Elizabeth & Margaret Andrew Morton,2021-03-30 Perfect for fans of The Crown this captivating biography from a New York Times bestselling author follows Queen Elizabeth II and her sister Margaret as they navigate life in the royal spotlight They were the closest of sisters and the best of friends But when in a quixotic twist of fate their uncle Edward VIII decided to abdicate the throne the dynamic between Elizabeth and Margaret was dramatically altered Forever more Margaret would have to curtsy to the sister she called Lilibet And bow to her wishes Elizabeth would always look upon her younger sister's antics with a kind of stoical amusement but Margaret's struggle to find a place and position inside the royal system and her fraught relationship with its expectations was often a source of tension Famously the Queen had to inform Margaret that the Church and government would not countenance her marrying a divorcee Group Captain Peter Townsend forcing Margaret to choose between keeping her title and royal allowances or her divorcee lover From the idyll of their cloistered early life through their hidden war time lives into the divergent paths they took following their father's death and Elizabeth's ascension to the throne this book explores their relationship over the years Andrew Morton's latest biography offers unique insight into these two drastically different sisters one resigned to duty and responsibility the other resistant to it and the lasting impact they have had on the Crown the royal family and the ways it adapted to the changing mores of the 20th century
