Prophecies For Today The Major And Minor Prophets Paraphrased:

Prophecies for Today Kimberly M. Hartfield, 2013-06-29 Prophets preachers were those people who God raised up for Israel in times of rebellion and apostasy falling away from the faith to speak on God's behalf to the hearts and minds of the people. The messages of the prophets had two characteristics: the first being that they were for the prophet's own time and second that they predicted God's divine purpose for the future of Israel and the nations. The predictions for the future often came directly from the immediate circumstance of the time. The future blessing of Israel as a nation rests on the Messianic Character who is the Christ of the New Testament. When Christ returns in the second advent, the national promises to Israel will be completely fulfilled. *Major and Minor Prophets Summarised Notes* Dr Lydia Taiwo, 2024-10-30 This book provides clear and accessible summaries of the messages of both Major and Minor Prophets from the Old Testament. Each section captures key themes, historical context, and spiritual insights, making it an ideal resource for students, educators, and anyone seeking to understand the prophetic writings. The notes highlight the prophets' teachings on justice, repentance, and hope, and also highlight their enduring relevance for today. This summary is perfect for quick reference, study groups, or as an introductory overview of these profound biblical texts. *Your Sons and Daughters Shall Prophesy* Ernest B. Gentile, 1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today's churches and individual Christians. **Minor Prophets** Michael H. Floyd, 2000 The latest addition to the Forms of the Old Testament Literature series presents a complete form critical analysis of the last six books in the Minor Prophets: Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi. By looking carefully at the literary genre and internal structure of each book, Michael Floyd uncovers the literary conventions that helped shape the composition of these prophetic books in their final form. Useful to scholars, pastors, and students, this commentary shows how analysis of literary form can lead to a more profound understanding of the Minor Prophets. Publisher: **Minor Prophets: Hosea through Malachi** Andrew Hill, Richard Patterson, 2016-12-09 These accessible commentaries are for anyone who wants to enter a serious study of God's Word. Each volume guides the reader through the literacy and theological issues in the text and provides correlation to multiple numbering systems for word study. This volume includes the entire NLT text of Hosea, Malachi, translation notes, and fresh expository commentary. **The Minor Prophets** Thomas Edward McComiskey, 2009 Combining three volumes in one, this affordable edition brings noted evangelical scholars together to offer an authoritative evangelical treatment of the minor prophets. **The Oxford Handbook of the Minor Prophets** Julia M. O'Brien, 2021 The Oxford Handbook of the Minor Prophets provides a clear and engaging one-volume guide to the major interpretative questions currently engaging scholars of the twelve Minor Prophets. Essays by both established and emerging scholars explore a wide range of methodological perspectives. Young Women of Excellence: Workshops and Empowerment Tools for Young Ladies Joyce L.
