The Holy Spirit and Christian Mission Roji T. George, 2019-09-10 This is a collection of articles from various church backgrounds and theological viewpoints It reaffirms the necessity and urgency of a pneumatic missiology It does not speak of God's saving mission as originating simply from God it highlights the central role of the Spirit in the effective mission of the church

Vrede op aarde Stefan Paas, 2023-09-28 Verkozen tot Beste Theologische Boek 2024 In *Vrede op aarde* onderzoekt theoloog en hoogleraar Stefan Paas hoe de christelijke boodschap van heil en redding voor de samenleving van nu relevant is Het christelijk geloof vertelt een verhaal over God die goede plannen heeft met ons en met de schepping Het is een verhaal vol hoop troost vergeving en blijdschap Hoe kan dit verhaal zo verteld worden in een postchristelijke samenleving dat het mensen raakt Hoe kunnen christenen zelf weer enthousiast worden voor dit verhaal Dit meeslepend geschreven boek geeft antwoord op deze vragen aan de hand van concrete ervaringen en voorbeelden

The Seeking Heart Ian Mobsby, 2025-01-28 In the contemporary church the word mission has become synonymous with pace expansion and results Yet such an approach can often leave those with responsibilities in mission or ministry feeling exhausted and overwhelmed Not only that but mission which focuses on the rapid and the growing fails to recognise the rich resources the more contemplative Christian traditions can offer our post secular society and especially those who would call themselves spiritual but not religious

Catholic Social Teaching and Theologies of Peace in Northern Ireland Maria Power, 2020-07-07 This book investigates the response of the Catholic Church in Northern Ireland to the conflict in the region during the late Twentieth Century It does so through the prism of the writings of Cardinal Cahal Daly 1917 2009 the only member of the hierarchy to serve as a bishop throughout the entire conflict This book uses the prolific writings of Cardinal Daly to create a vision of the Peaceable Kingdom and demonstrate how Catholic social teaching has been used to promote peace justice and nonviolence It also explores the public role of the Catholic Church in situations of violence and conflict as well as the importance for national churches in developing a voice in the public square Finally the book offers a reflection on the role of Catholic social teaching in contemporary society and the ways in which the lessons of Northern Ireland can be utilised in a world where structural violence as evidenced by austerity and reactions to Brexit in the United Kingdom is now the norm This work challenges and changes the nature of the debate surrounding the role of the Catholic Church in the conflict in Northern Ireland It will therefore be a key resource for scholars of Religious Studies Catholic Theology Religion and Violence Peace Studies and Twentieth Century History

Spirituality in Mission John Amalraj, Geoffrey W. Hahn, 2018-01-03 Authors from eighteen countries give us their perspectives on biblical principles and

cultural expressions of spirituality particularly as the church engages in God's mission. The anthology of texts enriches our understanding of the depth and the meaning of being spiritual and the diversity of forms to live out the Christian faith. The issue today is how spirituality should direct and guide a daily life as followers of Jesus in the engagement in the mission of God. No doubt that it has to do with our inner life and our relationship to God but it is in showing our love and concern to others that we prove our love to God according to the Apostle John 1 John 4. Mission without spirituality will only be a human effort to convince people of religious theories. Spirituality without a missionary involvement of the church will not express God's desire that the transforming gospel reaches every person. This book will help you rethink your understanding of what is spiritual, revisit your own spiritual journey and appreciate the different forms of spirituality as they are described and performed around the globe.

Mission from the Perspective of the Other Tim Noble, 2018-08-30. Christian mission involves God, the missionary and the other, the recipient of mission. This book argues for the centrality of this other in the practice of mission. The other as child of God is presented not as an empty vessel waiting to be filled but as the one who draws near to the missionary. Both are sent by God and together they enter into the journey towards God. Drawing on Scripture, contemporary missiology and phenomenology, the book argues for the importance of this often neglected other and demonstrates through historical case studies involving Saint Ignatius of Loyola, William Carey and Saint Innocent of Alaska that the recognition of the gift of the other has always been present in Christian mission and can continue to inspire.

What Is the Mission of the Church? Schroeder, Roger P., 2018. *A Public Missiology* Gregg Okesson, 2020-04-21. How can Christians witness to the complexity of our world? Gregg Okesson shows that local congregations are the primary means of public witness in and for the world. As Christians move back and forth between their churches and their neighborhoods, workplaces and other public spaces, they weave a thick gospel witness. This introduction to public missiology explains how local congregations can thicken their witness in the public realms where they live, work and play. Real-life examples from around the world help readers envision approaches to public witness and social change.

Essays in Contextual Theology Steve Bevans, 2018-06-12. *Essays in Contextual Theology* is a collection of essays that reflect on the doing of contextual theology from several perspectives. After a general introductory essay, subsequent essays reflect on topics such as contextual theology and prophetic dialogue, criteria for orthodoxy, the nature of tradition, the role of culture, the dynamics of conversion and the way theology is being done in World Christianity. The collection closes with an autobiographical essay tracing the author's journey to becoming a global theologian.
