Prophetic Dictionary Online:

Prophetic Forecast Joshua Giles, 2022-04-19 God's global reset has begun and He WILL get the glory out of the chaos. An unprecedented shaking is underway in the systems and nations of this earth. But even as the world churns with upheaval, you can stand firm. Through biblical teaching and sound prophetic insight, pastor and prophet Joshua Giles will help you align with heaven's agenda, overcome fear of the future, learn how to access and administer the promises of God, find your purpose and thrive amid the change, reset, realign, and reposition yourself for divine purpose. In this time of global contradiction and confusion, gain powerful prophetic insight to navigate the future according to God's plan. **The Prophetic Perspective**

Mark Chironna, 2013-03-19 Modern day prophets really? Are there modern day prophets? Or are prophets relegated to bygone Bible days? The answers in this book may surprise you. *Modern Day Prophet* stirs up a lot of spiritual questions such as: What does prophetic really mean? Do you attend a prophetic church? Does your worship team move in the prophetic? Does the prophetic label lean toward elitism or cultism? Prophet and Pastor Dr. Mark J. Chironna answers these questions and many more based solidly on Scripture and personal experiences. Well known for his inspirational insights and diverse discussions into the spiritual realm, *Modern Day Prophet* follows in a steady progression of his other popular and widely read books. Topics in this book include: The Ascension Gifts, The Prophetic in Context, The Person of the Prophet, The New Apostolic Reformation. The prophetic need not be mysterious, confusing, or a source of contention; it is a unique aspect of God's rich kingdom that you can be part of and from which you can reap great rewards. **Biblical Studies on the Internet**

Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics, including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials, including ones in Greek, Hebrew, and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use. *Born to Prophecy* Hakeem Collins, 2013-11-05 A comprehensive guide to the gift of

prophecy. *101 Biblical Words* Timothy J. Durden, 2009-10 An ordained minister originally from the Church of God in Christ but now serving as a Pastor in ministry at Christ Assembly Fellowship. Born 9 of 13 brothers and sisters from the deep south of Georgia to the small alleys of Harrisburg, PA, to the low-income row homes of the projects, it was not always easy ascertaining the Truth. My military career in the United States Navy of 24 years quickly exposed me to a myriad of truths and

lies My first experience concerning the Truth of Scripture was meticulously challenged while serving in the United States Navy I met a Brother in Christ who was much older than I and who had good understanding and knowledge of the Scriptures His understanding and knowledge was so good that at 19 years old he impressed me immensely This Brother became my mentor and most definitely of his Bible knowledge I did not solicit his guidance but it was one of those things that kept drawing me back to what he had to offer in the way of challenging my faith and Bible knowledge I remember one question he put to me one day he asked what do you know about December 25th My QUICK response was of course it is the birthday of our Lord and Saviour But his reply seriously challenged and shattered EVERYTHING I believed I did not speak to him for quite some time because my parents warned me about people like him But there was that drawing and wanting to know the Truth that took me back to wanting to know his views that subsequently started me on the path of seeking the knowledge of the Truth I have not ceased since those days of digging up the Truth about God and His Holy Word *Prophecy Today*
