Prophets For A Day Of Judgment:

Prophets for Our Time Jarl K. Waggoner, 2009-10-01 The books of Obadiah and Jonah can be read in just ten minutes Yet these two books written nearly three thousand years ago by two very different Hebrew prophets address attitudes and actions that we struggle with even today The valuable lessons the ancient writers have for people of the twenty first century truly make them prophets for our time Prophets for Our Time strikes a balance between scholarly study and practical exposition to bring these two prophetic books alive for modern readers The result is a practical readable book that clearly explains the meaning of the biblical text Maps charts and suggestions for personal application and further study enhance the value of the book making it a very useful tool for personal and group study *Prophecy* A. P. Forman, 1878 *The Minor Prophets* Craig G. Bartholomew, Heath A. Thomas, 2023-09-19 In this unique introduction to the Minor Prophets two biblical scholars survey the twelve books and explore the theological themes of each Filled with helpful exegetical insights this book is an invaluable guide for students pastors and scholars looking for a cohesive exploration of these often overlooked books of the Hebrew Bible **Jesus, the Prophets, and the End of the World** Trevor Bucknell, 2016-07-22 The Old Testament prophets and their writings were hugely instrumental in the formation of the second temple eschatology so an appreciation of the Old Testament prophetic literature greatly helps us in understanding the life and ministry of Jesus and the rationale of the early church Israel's story of divine election lay at the core of their identity as a nation and people constantly reinforced in the religious practices and rituals that made up their lives That story by the time of Jesus was heavily influenced by the eschatological expectations created by the prophets The people of Israel expected looked for and waited for God's intervention in their history and in their lives once again as he had intervened in the past The eschatological message of the prophets focused on two themes the kingdom of God and the day of the Lord The first theme largely found its fulfillment in the coming of Jesus and the birth of the church though it awaits his return for its culmination The book of Revelation presents an unfolding of the second theme the day of the Lord This forms the common theme in the prophets of God's final and culminating act of righteousness and justice in this age **The Twelve Minor Prophets** Carl Friedrich Keil, 1871

Twelve Prophets: Hosea, Joel, Amos, Obadiah, and Jonah Peter C. Craigie, 1984-01-01 Taken together the Twelve Prophets offer a panoramic view of Israel's religion during one of the most critical periods in the Israelites history Hosea Joel Amos Obadiah and Jonah are the figures considered in this first of Peter C. Craigie's two volume work Although differing in substance as well as style these prophetic books are united in their common purpose the declaration of the word of God to the people of God Carrying forward brilliantly the pattern established by Barclay's New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today **School of the Prophets Workbook** Kris
