The Trauma Therapies John Marzillier, 2014-07-03 It is well recognized that those who go through a major trauma can go on to experience psychological problems Many seek psychological help and there is now a range of psychotherapies specifically for those who have been through trauma In this authoritative book John Marzillier describes and reviews the various forms of trauma therapy examining what the therapies consist of their research basis their similarities and differences and what they tell us about trauma and its effects Designed specifically for therapists and engagingly written the book ranges from established therapies such as prolonged exposure EMDR and imaginal reliving to newer developments such as mindfulness meditation compassionate focused therapy and energy psychology techniques Aware that therapy is more than a collection of techniques Marzillier discusses the nature of psychological trauma the therapeutic relationship and what psychotherapy can offer The domination of a quasi medical model notably in terms of PTSD and of evidence based psychotherapy has led to a misleadingly simplistic notion that effective trauma therapies are those based on exposure This book does much to dispel this notion For all psychotherapists and counsellors this is a valuable book describing the many and varied trauma therapies It shows how therapists of all persuasions can benefit from further understanding of how best to help those who have been through a major trauma

The Complete Guide to Overcoming Traumatic Stress (ebook bundle) Ann Wetmore, Claudia Herbert, John Marzillier, 2013-01-17 Terrible events are very hard to deal with Those who go through a catastrophic life experience such as a car accident assault long term abuse an illness or bereavement often feel permanently changed by the impact of what has happened They become numb and shut off from those around them or grief or guilt may constantly weigh them down Memories of horrifying scenes may intrude unexpectedly during waking hours while sleep may be disturbed by vivid unpleasant dreams These two practical guides on trauma and how to cope with its aftermath are written by internationally recognised trauma experts

Overcoming Traumatic Stress Claudia Herbert Ann Wetmore Based on cognitive behavioural therapy CBT this self help guide offers a step by step programme to help you to understand your traumatic experience and how it is affecting you and to start to rebuild your life Traumatic stress responses including Post Traumatic Stress Disorder PTSD result from a person's coping mechanisms having been completely overwhelmed by a terrible experience Flashbacks may be so severe that sufferers may feel that they are losing their sanity and subsequently become ever more isolated in their distress To overcome the effects of trauma it is necessary to change those reactions and begin to see events in a different light This book demonstrates with practical advice and tested exercises how to find new effective ways of coping with and finally overcoming traumatic stress

To Hell and Back John Marzillier In this innovative and engaging book world

renowned psychologist John Marzillier dovetails first hand accounts from trauma sufferers with over 40 years of clinical practice to provide an honest human description of how trauma affects us at the time and also after the event Whether discussing accounts of terrorist bombings natural disasters road accidents or physical attacks he looks at what these experiences do to us and offers practical and consoling advice for both sufferers and their loved ones on coping with the experience and developing resilience for the future

The Girls Within Gill Frost, 2020-11-30 A compelling true story of one woman's battle with the aftermath of childhood trauma which gives a gripping account of the often controversial and misunderstood condition of dissociative identity disorder DID formerly known as multiple personality disorder MPD This emotional but ultimately uplifting journey details the unforeseen twists and turns of the effects of therapy and how it can help in coming to terms with the past and its unsettling echoes in the present Heartwarming and lucid it's an inspiring tale for all to read Through its clinical rigour professional therapists will also gain insight into the various treatment options for DID including the innovative use of energy therapy The book contains 32 colour illustrations including 24 drawings by The Girls The star of this book is an extraordinary bright spirited and entertaining six year old girl called Little Vivvi who experienced shocking abuse from members of her family Yet Little Vivvi lives within Vivian a middle aged woman who has struggled with DID for many years The challenging process of psychotherapy is laid bare as Little Vivvi wrestles with overwhelming memories of childhood abuse Alongside talking therapy energy treatment which she calls Wooshing is utilised to astonishing effect becoming the enigmatic ingredient that finally enables Little Vivvi to find relief from the distress and fear that had dominated her existence As therapy seems to draw to a close Izzy appears A very sensitive thoughtful and mature eight year old Izzy too needs love support and treatment to speak about her trauma After overcoming her understandable distrust Izzy enables an exceptional ending to the therapeutic journey far beyond anything Vivian and her therapist Gill could have dreamed Little Vivvi and Izzy will make you want to laugh out loud as well as cry Their story teaches so much about suffering dissociation and survival Their aim is to enlighten inspire and offer hope to others through reading their incredible tales which reveal the astonishing power of The Girls within
