methods It is likely to be particularly useful for instructors in psychology and other social science disciplines The Organized and Engaged Supervisor Behnam Bakhshandeh,Aileen G. Zaballero,William J. Rothwell,2025-06-30 Balancing organization and engagement is the cornerstone of a workplace where supervisors and their teams can genuinely thrive Effective organization goes beyond checking boxes and meeting quotas it s about creating an environment where clear direction and supportive leadership enable everyone to do their best work Supervisors play a pivotal role in this dynamic navigating their own tasks while guiding their teams and meeting the expectations of clients and higher management The challenge is maintaining this balance managing projects and leading with limited time and resources Success demands more than good intentions it requires strong organizational skills to foster harmony streamline efforts and reduce stress However even the most meticulously organized supervisor can t optimize their teams without veritable engagement Lasting success comes from integrating structure with human connection A great supervisor allocates resources effectively and builds an atmosphere where employees feel valued motivated and genuinely connected to their work This book is your comprehensive guide to mastering this delicate balance Packed with practical insights and proven strategies this book will help elevate your leadership skills and team dynamics creating a culture where productivity and commitment are seamlessly intertwined

Critical Issues in School-based Mental Health Melissa K. Holt,Amie E. Grills,2015-11-19 A Choice Magazine Outstanding Academic Title of 2017 School based mental health professionals intervene daily to address a variety of student mental health concerns From challenges that arise in the educational context to those carried over from home from managing daily care to handling emergent traumatic events they must be prepared for an extremely varied work life While some of the most common issues recur with such frequency that they may seem straightforward to address others crop up with changing student populations Each chapter in this volume addresses a different key topic giving current and future professionals an overview of the most recent scholarship on the topic and then outlining evidence based interventions With chapters on learning disabilities substance abuse bullying internalizing and externalizing behaviors trauma LGBT youth and more this book prepares school based mental health professionals to face some of the most difficult common and politicized issues affecting students today Exploring Psychology and Christian Faith Paul Moes,Donald J. Tellinghuisen,2023-07-11 Drawn from more than sixty years of classroom experience this introductory guide provides students with a coherent framework for considering psychology from a Christian perspective Paul Moes and Donald Tellinghuisen explore biblical themes of human nature in relation to all major areas of psychology showing how a Christian understanding of humans can inform the study of psychology The first edition has proven to be a successful textbook with over 11 000 copies sold The second edition has been updated and revised throughout based on student and instructor feedback Brief accessible chapters correspond to standard introductory psychology textbooks making this an excellent supplemental text The book includes end of chapter questions An updated test bank for professors is available through Textbook eSources
