Dante Alighieri

Proud Brought Low In Genesis:

It'S All About Him Dr. Lois Brittell,2014-01-24 Its All about Him comes from an author who has wrestled with God and her own emotions The book reveals how God has met her leads her and cared for her in his faithfulness Here is a practical helpful work for Christians who desire to grow in their life with God Rev Kent Meads Community Presbyterian Church d The statement Its all about Him often leads to the question Who is he him When the author asks Who do you think he is she gets varying responses A few guessed it is God When answering the question from a biblical perspective it becomes clear God is the center of the universe its all about Him This awareness conflicts with many of the assumptions at work in todays culture A licensed psychologist Dr Brittell came across the question What is it all about in many forms People are searching for meaning and attachment sometimes in all the wrong places The loss of selfresulting from anxiety depression and other disordersis not only a personal loss but a cultural loss as well For Christians there are answers in the Bible Many have no idea how or where to find them Those who are unfamiliar with Christian principles may have no idea where to begin looking for the answers In reading Its All about Him you will find principles that were established at the time of creation and have continued to this day Your sense of self worth and purpose are found in relationship with God Finding God in a world full of noise clutter and fantasies is not always easy but it is always simple An excellent study for a small group setting Rev Rich Latta pastor Dinuba Presbyterian Church

Watson,2025-06-01 If we give enough thought to the implications of sin in our lives it would probably take us years to list all the results and consequences of man s sinfulness from impure thoughts to evil actions from dirty speech to violence from personal to society decay from a life spent on vain pursuits to a sorrowful death But sin is even more destructive to man it affects our very souls and were it not Christ to come into this fallen world and die on the cross to save us our eternal destination would have been hell Hell forever disaster and suffering without end total darkness unlimited pain and unrestrained evil In this little book Thomas Watson calls us to consider this topic with the sobriety and earnestness of those who really care for their own lives and souls He calls us to prayerfully search our hearts as he unfolds that the Bible describes as the sinfulness of sin This book was originally published in 1671 This edition has been proofread typeset for eBook readers and lightly updated for modern readers
