Peter Šajda, Jon Bartley Stewart

Provocations Spiritual Writings Of Kierkegaard:

Provocations Søren Kierkegaard, 1999 *Provocations* contains a little of everything from Kierkegaard's prodigious output his famously cantankerous yet wryly humorous attacks on what he calls the mediocre shell of conventional Christianity his brilliantly pithy parables his wise and witty sayings Most significantly it brings to a new generation a man whose writings pare away the fluff of modern spirituality to reveal the basics of the Christ centered life decisiveness obedience and recognition of the truth

Provocations Søren Kierkegaard, 2003 **Søren Kierkegaard Literature, 1956-2006** Aage Jørgensen, 2009 This bibliography on Søren Kierkegaard carries on the work of Jens Himmelstrup's international bibliography 1962 It collates everything written about Kierkegaard books contributions to edited collections and journals and also features an appendix of primary text editions and translations Discussion notes reviews etc are catalogued according to the items they refer to The bibliography contains more than 5 600 primary entries and is a testament to the expanding worldwide interest in the Danish philosopher It also remedies the deeply felt need for a collected overview of the extensive literature on Kierkegaard

Kierkegaard Bibliography Peter Šajda, Jon Bartley Stewart, 2016 *Behold, My Mother and My Brethren!* Bryan M. Christman, 2022-10-18 In this Kierkegaardian reading of Mark's Gospel two of the most creative and passionate witnesses of Christ's gospel are brought together to mutually inform its superlative wonder Both writers winsomely revealed the nature of human existence in sin and the new life Jesus lived and made possible for all as the paradoxical God man They highlighted the single individual against the frenzied crowd in untruth driven by despair whether conscious or unconscious and vulnerable to enticing publicity and deceptive propaganda The entrenched societal systems unjustly determined for time and eternity who God favored or disfavored In dramatic contrast Mark and Kierkegaard both elucidated God's good news calling forth the highest and happy passion of faith capable of creating a new family unconstrained by the status quo of the established order's old wineskin In short through the gospel they powerfully challenged the system whether modern Christendom or its first century equivalent and did so by merely following Jesus out over 70 000 fathoms weathering demonic storms and overcoming dehumanizing societal bureaucracies set against them and humanity at large This Kierkegaardian reading of Mark reveals two kindred spirits after Christ's spirit demonstrating the redemptive love of God for all humanity centered in Christ

Volume 8, Tome III: Kierkegaard's

International Reception - The Near East, Asia, Australia and the Americas Jon Stewart, 2017-05-15 Although

Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome III is the most geographically diverse covering the Near East Asia Australia and the Americas The section on the Near East features pioneering articles on the Kierkegaard reception in Israel Turkey Iran and the Arab world The next section dubbed Asia and Australia features articles on the long and rich traditions of Kierkegaard research in Japan and Korea along with the more recent ones in China and Australia A final section is dedicated to Americas with articles on Canada the United States hispanophone South America Mexico and Brazil

Out of the Embers Bradley Jersak, 2022-11-22 Deconstruction Trendy brand name for falling away from belief in God Or a process essential to authentic faith Liberation or trauma Prison break or exile It's complicated Just like you Christian history records a Great Reformation and a Great Awakening But today's Great Deconstruction will surely leave an equally profound impact In Out of the Embers Bradley Jersak explores the necessity perils and possibilities of the Great Deconstruction how it has the potential to either sabotage our communion with God or infuse it with the breath of life the light and life of Christ himself In this collection of vulnerable memoirs philosophical memos and candid provocations Jersak resists both the hand-wringing urge to corral stray sheep and the exultant desire to play the happy clappy Ex-vangelical cheerleader He employs the wisdom and expertise of the great deconstructionists Christianity's ancient influences Moses Plato Paul and the Patristics beloved frenemies from Voltaire to Nietzsche and the masters of deconstruction Dostoevsky Kierkegaard and Weil to double down and deconstruct deconstruction itself Where is faith after

deconstruction The author's heart is to engage and empathize with the bereft and disoriented stoking the brittle ashes for live embers In this quest for the resilient gospel of the martyrs the marginal and those outside the threshold inexplicably in this liminal space life stirs A Light shines through the ashes We find often for the first time that living connection Jersak calls presence in communion There is a sea change occurring across the Western church and civilization Whether we're watching a radical course correction or a complete collapse remains to be seen and how it pans out will likely depend on how we see what's happening who we are becoming how we live in response and most important where we find Christ situated in this storm

A Conspiracy of Love, Second Edition Kurt Struckmeyer, 2024-12-10 Before there were worshipers of Jesus there were followers of Jesus Before there were organized churches with creeds and doctrines there were small communities of love equality and sharing dedicated to the practice of Jesus teachings and committed to a wholly new way of living Today the churches of the Global North are in decline and younger generations no longer seek meaning there Traditional church Christianity is gradually giving way to some new way of faithful living From a Nazi prison cell German pastor Dietrich Bonhoeffer imagined a future religionless Christianity consisting of contemplative prayer and righteous action in the secular world A Conspiracy of Love presents the contours of such a faith based on the Way of Jesus It calls us to become troublemakers revolutionaries seekers of change and agents of transformation engaged in conspiracies of love to establish justice and peace in our postmodern world It offers many different people those who remain in the church those who have left and those who have never ventured near with a life of faith that is meaningful intelligent and passionate
