North Coast Contemporary Love Story:

Travel and Colonialism in 21st Century Romantic Historical Fiction Paloma Fresno-Calleja, Hsu-Ming

Teo, 2024-12-16 Romantic fiction has often involved stories of travel. In narratives of the journey towards love, romance often involves encounters with exotic places and peoples. When history is invoked in such stories, the past itself is exoticised and treated as other to the present to serve the purposes of romanticisation, a narrative strategy by which all manner of things—settings, characters, costumes, customs, consumables—are made to perform a luxuriant otherness that amplifies the experience of love. This volume questions the reparative function of Anglophone romantic historical fiction to ask: can plots of travel and discourses of tourism empower women while narrating stories of healing for the wounds of the past? This is the first volume to consider how romanticised and exoticised women's historical fiction not only serves the purposes of armchair travel but may also replicate colonial discourse unintentionally positioning readers as neocolonial, neo-Orientalist cultural voyeurs as well as voyagers.

The Carolina Heirlooms Collection: The Prayer Box / The Story Keeper / The Sea Keeper's Daughters

Lisa Wingate, 2016-09-09 From the #1 New York Times author of *Before We Were Yours*, this collection bundles 3 of Lisa Wingate's contemporary historical Carolina Heirlooms series together in one e-book for a great value. **The Prayer Box** When Iola Anne Poole, an old timer on Hatteras Island, passes away in her bed at ninety-one, the struggling young mother in her rental cottage, Tandi Jo Reese, finds herself charged with the task of cleaning out Iola's rambling Victorian house. Running from a messy, dangerous past, Tandi never expects to find more than a temporary hiding place within Iola's walls, but everything changes with the discovery of eighty-one carefully decorated prayer boxes, one for each year spanning from Iola's youth to her last days. Hidden in the boxes is the story of a lifetime written on random bits of paper: the hopes and wishes, fears, and thoughts of an unassuming but complex woman passing through the seasons of an extraordinary, unsung life filled with journeys of faith, observations on love, and one final lesson that could change everything for Tandi. **The Story Keeper** 2015 Christy Award winner, 2015 Carol Award winner. When successful New York editor Jen Gibbs discovers a decaying slush pile manuscript on her desk, she has no idea that the story of Sarra, a young mixed-race woman trapped in Appalachia at the turn of the twentieth century, will both take her on a journey and change her forever. Happy with her life in the city and at the top of her career with a new job at Vida House Publishing, Jen has left her Appalachian past and twisted family ties far behind. But the search for the rest of the manuscript and Jen's suspicions about the identity of its unnamed author will draw her into a mystery that leads back to the heart of the Blue Ridge Mountains and quite possibly through the doors she thought she had closed forever. **The Sea Keeper's Daughters** 2016 Christy Award Winner. From modern-day Roanoke Island to the sweeping backdrop of North Carolina's Blue Ridge Mountains and Roosevelt's WPA folklore writers' past and present intertwined to create an unexpected destiny. Restaurant owner Whitney Monroe is desperate to save her business from a hostile takeover. The inheritance of a decaying Gilded Age hotel on North Carolina's Outer Banks may provide just the ray of hope she needs.

But things at the Excelsior are more complicated than they seem Whitney's estranged stepfather is entrenched on the third floor and the downstairs tenants are determined to save the historic building Searching through years of stored family heirlooms may be Whitney's only hope of quick cash but will the discovery of an old necklace and a Depression era love story change everything
