Not Okay Cupid Heidi R. Kling, 2016-01-11 OMG the feels in this book Probably one of my all time favorite books Sam Goodreads Reviewer Hazel McCallister loves her life Perfect grades Perfect best friend Perfect boyfriend Until her perfect boyfriend cheats on her with her perfect best friend Now Hazel s in free fall until her best friend s brother Felix gives her the perfect idea Reclaim her power by taking revenge on her cheating ex Felix James loves his life Casual relationships Loads of surfing He s as drama free as they come But he can t stand by when his sister steals her best friend s boyfriend and the dude insists it was Hazel s fault So Felix vows to help turn Hazel into a girl her ex can t resist so then she can break his heart With an alliance in place Hazel s revenge is all but assured But with each piece of payback she feels a stronger attraction to Felix even though revenge will turn her into a girl Felix could never be with And soon Hazel has to make an impossible choice revenge or Felix the boy who s stolen her heart Disclaimer This Entangled Teen Crush book contains betrayal revenge and that most tempting vice of all the bad boy you know you can t have *The Hidden Curriculum* Brenda Smith Myles, Melissa L. Trautman, Ronda L. Schelvan, 2024-03-05 Shred through Social Confusion The world around us is a complicated place filled with expectations rules assumptions guidelines regulations and policies This hidden curriculum exists across environments places people and cultures Although rules and mandates can be complex most of us take comfort in them often unconsciously because they help us to know what to do in everyday situations We like rules if they are consistent It is when they are unclear or are unstated that we can become upset indignant or confused Some people learn the hidden curriculum and its impact automatically Others learn the hidden curriculum only by direct instruction That is the purpose of this book In this third edition the essential features of the original book have been maintained and information on evidence based practices has been added In addition it provides a series of instructional strategies that can be used to teach the hidden curriculum Instructional aids include charts forms and templates designed to make the job of teaching and learning the hidden curriculum more effective Finally The Hidden Curriculum offers extensive lists of hidden curriculum items or unstated guidelines Due to the elusive nature of the hidden curriculum the lists while broad offer examples rather than a definite set of lessons to be learned Parents educators support persons and others are encouraged to consider the lists as springboards to make their own lists geared specifically toward the unique needs of the individuals with whom they work or live

The Highs & Lows of Online Dating Cyndi Gayle,2007-12-01 This book was written in a tongue in cheek style to bring a sense of openness and passion with a wild sense of humour Most of the way through the book I was either laughing or crying but I was never expressionless

I dug deep in me to bring out a hidden truth without creating offence to others and to help create openness coupled with fun and passion When I decided to write this book I wanted expressions and truth to blend there is so much fear of the truth in the world that we live in I use to be restricted in my thoughts and actions mainly because I didn't want to offend anyone In this book I have taken away the restrictions to allow natural thoughts to come through as well as bring a blend of humour and tears This book was written outside of the box so to exposed hidden thoughts and actions It's funny and entertaining but also with a dash of truth
