Political Philosophy Comes to Rick's James F. Pontuso, 2005-01-01 Casablanca is a movie about love and loss virtue and vice good and evil duty and treachery courage and weakness friendship and hate It is a story that ends well but only because the main characters make a heartbreaking choice Casablanca is perhaps the most widely viewed motion picture ever made often finishing on critics lists second only to Citizen Kane What accounts for its continuing popularity What chord does it strike with audiences What lesson does Casablanca teach Americans about themselves What influence does popular culture have on public mores The
