## **Nice Trust Complex World Enriching Community:**

**Trust in a Complex World** Charles C. Heckscher, 2015 This book explores how trust and community are affected by the rapid increase in the scope of communication Uncertainty of relations generates many destructive reactions yet it also creates the possibility of a community wider and more diverse than ever before The book puts these contrasting scenarios in a historical and theoretical context

**Lead for the Planet** Rae André, 2020-09 This book guides concerned citizens and business leaders to take on the climate crisis detailing five key practices for effective sustainability leadership

*Psychoanalytic and Historical Perspectives on the Leadership of Donald Trump* Michael Maccoby, Ken Fuchsman, 2020-05-01 What is Donald Trump's personality Is he mentally ill What in American culture and history enabled him to become president How does his personality shape his policies and leadership In this fascinating and highly relevant new book these questions are answered by a selection of expert contributors including psychoanalysts historians and a sociologist Narcissism is defined and applied to Donald Trump his personal history and style of leadership and the relationship between Trump and his base is explored as a symptom of his needs and the needs of his followers U S culture and U S politics are put under the lens as chapters draw on contemporary academic and journalistic analysis continuing discussions around gaslighting demagoguery and fascism in terms of their validity in application to Trump *Psychoanalytic and Historical Perspectives on the Leadership of Donald Trump* refutes many of the mental health experts who label Trump as suffering from a narcissistic personality disorder and makes the case that Trump's personality combines a marketing and narcissistic orientation that determines his behavior and policies The authors also assert that to understand Trump's rise and his followers it is valuable to combine psychoanalytic historical and sociological perspectives This book will therefore be of great interest to academics in those fields and all those with an interest in contemporary American politics

**Building Community at Work** Neil Boyd, 2025 This book serves as a guide for scholars employees and leaders of organizations to conceive and build community in the workplace necessary for a healthy and productive work environment Weaving scientific theory models and concepts together with the story of a young executive learning how to foster community in her business Neil Boyd illustrates the practical considerations to consider in building community at work *Building Community at Work* translates the theoretical foundations and empirical findings from the science of management and community research into clear ways to harness community to improve the workplace

*Ecclesial Leadership as Friendship* Chloe Lynch, 2019-03-01 When it comes to talking about the activity of directing the church the language of leadership and leaders is increasingly popular Yet what is leadership and how might theological narratives better resource the discourse and practice of leadership in ecclesial contexts In identifying and critiquing managerialism as a dominant narrative of leadership in the Western church this book calls for an alternative approach founded on the concept of friendship Engaging with the wider field of leadership studies the book establishes an understanding of leadership activity and brings it into conversation with an incarnational

ecclesiology The result is a prophetic reimagining of ecclesial leadership in terms of a relational kenotic praxis This praxis of mutuality and love is framed here in the rich language of Christian friendship The book also wrestles deeply with the embodiment of such a praxis making explicit the power behaviours typical of friendship leadership and offering constructive guidance for practitioners in the task of implementation within a complex and fractured world This book offers a new vision of the centrality of friendship to leadership of a healthy church community As such it will be of great use to scholars of practical theology ecclesiology and leadership as well as practitioners in church ministry

**The Pandemic and the People of God** Arbuckle, Gerald A.,2021-10-20 Draws from anthropology and theology to provide an analysis of the role of the church in responding to the COVID 19 pandemic *Living in an Age of Mistrust* Andrew I. Yeo,Matthew N. Green,2017-07-20

Trust is a concept familiar to most Whether we are cognizant of it or not we experience it on a daily basis Yet trust is quickly eroding in civic and political life Americans trust in their government has reached all time lows The political and social consequences of this decline in trust are profound What are the foundations of trust What explains its apparent decline in society Is there a way forward for rebuilding trust in our leaders and institutions How should we study the role of trust across a diverse range of policy issues and problems Given its complexity trust as an object of study cannot be claimed by any single discipline Rather than vouch for an overarching theory of trust *Living in an Age of Mistrust* synthesizes existing perspectives across multiple disciplines to offer a truly comprehensive examination of this concept and a topic of research Using an analytical framework that encompasses rational and cultural or sociological dimensions of trust the contributions found therein provide a wide range of policy issues both domestic and international to explore the apparent decline in trust its impact on social and political life and efforts to rebuild trust
