ECKM 2019 20th European Conference on Knowledge Management 2 VOLS Dr. Eduardo Tomé, 2019-09-05 *Promoting Sustainable Development Goals in Physical Education: The Role of Motor Games* Lavega-Burgués, Pere, Pic, Miguel, 2025-02-14 Motor play being a dynamic and participatory activity provides an ideal platform to address relevant topics such as health and well being inclusion and equity environmental respect and the promotion of active and healthy lifestyles By incorporating a multidisciplinary approach it enriches the educational experience by relating physical education concepts to other areas of knowledge such as social sciences natural sciences and personal and social development The contributions of motor play to the 2030 agenda in physical education go beyond simple physical exercise serving as a vehicle to shape citizens committed to sustainability and global well being while developing fundamental physical emotional and social skills for life Promoting Sustainable Development Goals in Physical Education The Role of Motor Games focuses on integrating motor play as a fundamental tool in physical education to promote the sustainable development goals established in the 2030 agenda The aim is not only to develop motor and physical skills but also to foster values and practices that contribute to a more sustainable and equitable future Covering topics such as motor conflict socio emotional well being and student motivation this book is an excellent resource for educators school administrators healthcare professionals environmentalists professionals researchers scholars academicians and more

The Five Marks of a Man Brian Tome, 2023-10-10 A boy doesn't automatically become a man at age eighteen What differentiates a man from a boy is the way he lives A man has a vision for his life is a team player works has the courage to take a minority position and is a protector These are the five marks of a man They're a primal code that every great man in history has aggressively pursued Drawing from his own experience and the lives of others pastor Brian Tome calls on men to examine their mindset and actions assume responsibility for their place in the world step into a new reality one defined by strength purpose and a code of honor It's time to take steps in the direction of the adventure of a fully realized manhood that honors God respects women elevates others and works purposefully for an end greater than your own satisfaction or pleasure

Language and Identity David Evans, 2014-12-18 Language not only expresses identities but also constructs them Starting from that point Language and Identity examines the interrelationships between language and identities It finds that they are so closely interwoven that words themselves are inscribed with ideological meanings Words and language constitute meanings within discourses and discourses vary in power The powerful ones reproduce more powerful meanings colonize other discourses and marginalize or silence the least powerful languages and cultures Language and culture death occur in extreme cases of marginalization This book also demonstrates the socio economic opportunities offered by language choice and the cultural allegiances of language where groups have been able to create new lives for themselves by embracing new languages in new countries Language can be a double edged sword of opportunity and marginalization Language and

Identity argues that bilingualism and in some cases multilingualism can both promote socio economic opportunity and combat culture death and marginalization With sound theoretical perspectives drawing upon the work of Bakhtin Vygotsky Gumperz Foucault and others this book provides readers with a rationale to redress social injustice in the world by supporting minority linguistic and cultural identities and an acknowledgement that access to language can provide opportunity
