WORLD ACTION

SUPER

The aliens are back and they don't intend to lose a second time to a couple of combat yahoos from a backward planet like Earth. But that didn't stop you in Contra and it's not likely to stop you now. What may stop you are the eight grueling stages leading up to the final, desperate battle with an indescribably weird alien Super C super fiend. If this game doesn't heat up your summer, nothing will.

STAGE 2 The First Base

Once more into the breach! To succeed here you must change your strategy. The vertical scroll means you'll face attackers on four sides rather than three.

DODGE DISASTER

Gain time to plan moves by standing in the safe zones between the firing patterns of tanks.

Stand in the "Safe Zone."

Watch your flank!

Blast the tank.

THE BIG GUN

Dodging the shots of this giant gun isn't so tough if you keep to the bottom of the screen. Move in the direction opposite the motion of the Big Gun.

Blast the Big Gun when you're in the clear.

KEEP ON MOVING

If you don't have a strong option, don't bother finishing off all the enemy troops or guns. Just before the Big Gun at the end you can race past the two guns on each side and still take on the final enemy.

Don't waste time. Move on to the end.
