Nice Book Why Did Jesus Have Die:

Why did Jesus Have to Die? Jane Williams, 2016-12-15 For many people the crucifixion of Jesus by the Romans is just another tragic fact of history a cruel travesty of justice perhaps but nothing more But for Christians the death of Jesus has a much deeper and far reaching significance Jane Williams examines the reasons why Jesus death was seen by his first followers as nothing less than the demonstration of God s love for his creation and the means by which we all can find forgiveness and redemption both now and in the world to come **Jewish-Christian 2000 Years War Against Jesus**

Christ Mohammad Fawzi, 2014-12-12 Noticing how the world today is sinking into darkness as it did many times before through its history seeing how the Muslims are working hard against the message that Allah sent how Christian created their own preaching and faith how the Jews worked all of their lives against the LORD and the men that the LORD sent Mohammad Fawzi saw the need to do something and this book is the first of many he is working on in hope he may be able to correct the mistakes done today from all the beliefs he will also deal with the darkness of the Atheists In a world full with darkness and evil done against the LORD the need for those who have the truth is increasing not the false truth some claim to have but the genuine truth that is supported with solid proofs and convincing evidence It is time for those who can do something to step up God Is Not Great Christopher Hitchens, 2011-11-01 In god is Not Great Hitchens turned his

formidable eloquence and rhetorical energy to the most controversial issue in the world God and religion The result is a devastating critique of religious faith god Is Not Great is the ultimate case against religion In a series of acute readings of the major religious texts Christopher Hitchens demonstrates the ways in which religion is man made dangerously sexually repressive and distorts the very origins of the cosmos Above all Hitchens argues that the concept of an omniscient God has profoundly damaged humanity and proposes that the world might be a great deal better off without him *Good Words for 1863*, 1863 **The Doctrine of Good Works** Thomas H. McCall, Caleb T. Friedeman, Matt T. Friedeman, 2023-07-25

Christianity Today 2024 Book Award Academic Theology In Titus Paul says Christ redeemed a people zealous for good works Despite this declaration and others like it the doctrine of good works has fallen on hard times in contemporary Protestant theology and practice At best it s neglected as in most systematic theologies and in too much church teaching At worst it s viewed with suspicion as a threat to salvation by grace alone through faith alone In this important work addressing a significant gap in current theological literature the authors argue that by jettisoning a doctrine of good works the contemporary church contradicts historical Protestantism and more importantly biblical teaching They combine their areas of expertise exegesis systematic and historical theology and practical theology to help readers recover and embrace a positive doctrine of good works They survey historical Protestant teaching to show the importance of the doctrine to our forebears engage the scriptural testimony on the role of good works formulate a theology of salvation and good works and explore pastoral applications *Annual Report of the Board of Foreign Missions of the Presbyterian Church of the United States of*
