Internet-based Workplace Communications Kirk St. Amant,Pavel Zemliansky,2005-01-01 The essays in this collection advance the project of articulating online workplaces as real and significant as complex networks of relations that we need to take seriously The emergent culture of networked communication poses many interesting challenges for researchers teachers and writers In an emergent culture even the terminologies we use to identify the subject are contested making it difficult to agree on what we re writing about in the first place not to mention our reasons for studying it or how we might best meet the challenges it poses

The G Spot Sumner M. Davenport,2008 Not your typical book about gratitude This book is for the cynic the hopeless the happy and the already grateful Do you have an opinion a belief in gratitude or a passionate knowing Is it how you were taught or was it a lesson you learned through experience People fake many things in life and I found that some even fake gratitude The message in this book invites you on a self discovery journey sometimes through other perspectives and opinions Question its message as you question your current opinions and perceptions
