Freedom Afrika Cosmo Starlight,2019-06-11 In Freedom Afrika the sequel to Cosmo Starlight s novel Freedom Incorporated Noodle Church escapes solitary confinement to work with people against bombs bullets powders and policemen Found journeying across three continents bringing a pack which rarely comes off his back and wearing canvas pants he s accustomed to sleeping in Africans procure Noodle a home so he mustn t live on the street during the holidays They feed Noodle lend him jackets to wear when it s cold and provide security ensured by honest trustworthy relationships At wildland that unfolds along a thousand kilometers of rugged coast to document his life in the system enslaving people with cameras and clandestine surveillance someplace so remote footpaths replaced roads Noodle thought he d discovered freedom But where bulls bask in sun by the beach he found wardens track him The International Intelligence Service IIS recalls love he lost after detainment without charges a trial or records A

provocateur gained Noodle's trust to compromise him so men riding dirt bikes could push this blue stained boy beyond the bounds of Freedom Inc's rule by catching him kill someone. Instead Noodle fled into the wild without clean water or shelter before returning to the floor of an African snack shop where he awoke last Christmas. Agents tracked him there too yet after fighting a twenty year long war townspeople excelled at security. People who'd witnessed brothers being shot poisoned and burned alive proclaimed: If men wearing white suits and masks attached to breathing apparatuses allege Noodle Church has a rare disease nobody's heard of then it doesn't matter because we fought for independence. We'll never let wardens take him even if they say it's a matter of national security. Africans were poor but they reject bombs bullets powders and policemen. Freedom Afrika teaches people need food water shelter and love to live. Love is all Noodle needed. *Freedom Enterprise*

Kendra D. Boyd, 2025-04-08 Traces the rise and fall of the historic Black business community in Detroit. The Great Migration saw more than six million African Americans leave the US South between 1910 and 1970. Though the experiences of migrant laborers are well known countless African Americans also left the South to pursue entrepreneurial opportunities and viewed business as key to Black liberation. Detroit's status as a mecca for Black entrepreneurship illuminates this overlooked aspect of the Great Migration story. In *Freedom Enterprise* Kendra D Boyd uses migrant entrepreneurship as a lens through which to understand the entwined histories of Black owned business racial capitalism and urban space. *Freedom Enterprise* follows Black Southerners' journeys to Detroit during the initial wave of migration in the 1910s and 1920s through their efforts to build a prosperous Black business community in the 1930s and 1940s to the destruction of that community through urban renewal projects and freeway construction in the 1950s and 1960s. Combining business and social history methods to analyze an eclectic archive Boyd chronicles migrant entrepreneurs' experiences highlighting tales of racial and economic violence. Black women's business organizing illegal business communist entrepreneurs and cooperative economics. Boyd uses the framework of racial capitalism to examine migrant entrepreneurs' experiences in twentieth century America. In the Jim Crow South African Americans worried about white mobs taking away their property wealth and lives. Though they sought refuge in Detroit migrant entrepreneurs subsequently faced the loss of their livelihoods and the businesses they had spent decades building to the bulldozers of state sponsored urban redevelopment initiatives. Southern migrants' freedom enterprise their undertaking of attaining freedom through business was curtailed by the reality of operating within the confines of US racial capitalism. In tracing Black entrepreneurs across the Great Migration *Freedom Enterprise* provides important insights into African Americans' activism for racial and economic justice and continued racialized wealth disparities. **Blood for Freedom**

J. P. Piché, 2018-09-26 For Paul Desilets the suicide of his twin brother will mean a constant state of mental paralysis unless he finds a new vision of life and gains deeper insight into himself. After several months of spiritual retreat in a monastery he decides to serve as a lay missionary among the Maya people of Guatemala. Soon after he is sent to a small parish to help missionary priest Father John Callaghan fulfill his last assignment. Fascinated by the pre-Columbian spiritual

and cultural traditions that still survive among the Mayas Desilets gains valuable insights into their unique way of knowing about the world and human experience But after just eighteen months of working with the Mayas he finds himself caught in the midst of mounting political tensions when the fragile bridge between the indigenous population and the Ladino rulers threatens to collapse Now it may not be enough to just live with the oppressed He may also have to be willing to sacrifice his life for them Will he be able to achieve his mission in a country run by a dictatorship and where foreign missionaries are suspected of having links with leftist organizations

Freedom, Only Freedom Behrouz Boochani, 2022-11-15 Over six years of imprisonment in Australia s offshore migrant detention centre the Kurdish Iranian journalist and writer Behrouz Boochani bore personal witness to the suffering and degradation inflicted on him and his fellow refugees culminating eventually in his prize winning book *No Friend but the Mountains* In the articles essays and poems he wrote while detained he emerged as both a tenacious campaigner and activist as well as a deeply humane voice which reflects the indignity and plight of the many thousands of detained migrants across the world In this book Boochani s collected writings are combined with essays from experts on migration refugee rights politics and literature Together they provide a moving creative and challenging account of not only one writer s harrowing experience and inspiring resilience but the wider structures of violence which hold thousands of human beings in a state of misery in migrant camps throughout Western nation states and beyond
