Nice Theology As Discipleship Keith Johnson:

Theology as Discipleship Keith L. Johnson, 2015-11-09 In this fresh and engaging text Keith Johnson examines how the discipline of theology not only leads to discipleship but is itself a way of following after Christ in faith Unlike other introductions that overview doctrines according to the Apostles Creed Johnson presents theology by describing the Christian life being in Christ hearing God's Word and sharing the mind of Christ **The Inerrancy of Scripture** L. J.

Anderson, 2025-07-01 IN THE INERRANCY of Scripture L J Anderson tackles one of the most critical and contested doctrines in the Christian faith With clarity theological depth and pastoral concern this work explores what it means for Scripture to be inerrant how it differs from infallibility and why that distinction matters Anderson carefully examines the historical development of the inerrancy debate evaluates major contemporary viewpoints and demonstrates how the Bible's own claims about God and itself demand either full acceptance or complete rejection of its authority PERFECT FOR students pastors and anyone wrestling with the reliability of the Bible this concise yet robust defense argues that inerrancy is not a secondary issue rather it is foundational to faith doctrine and the very character of God If Scripture is truly God's Word then every word matters Contents Dedication Preface Abstract 1 Introduction 2 Overview of the Terms Inerrancy and Infallibility 3 Overview of the Major Different Views on Inerrancy 4 The Claims Scripture Makes About God and Itself Require Either a Total Rejection or Total Acceptance of Its Authority 5 The Doctrine of the Inerrancy of Scripture Is Necessary to Avoid Apostasy 6 Conclusion A Brief Call to Action Also by L J Anderson Bibliography **Hearers and Doers** Kevin J. Vanhoozer, 2019-05-15

The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it's often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples **Contending**

for the Truth L. J. Anderson, 2025-02-07 What happens when God's people stop contending for the truth In a world where confusion is often mistaken for compassion and doctrinal compromise is praised as unity Christians must not only believe the truth they must be equipped to defend it *Contending for the Truth* explores thirteen highly debated doctrines in Christianity today applying biblical rigor to each and calling believers to stand firm on Scripture From apologetics to creationism church discipline to the doctrine of inerrancy this book walks readers through contentious topics with clarity and conviction Each chapter grounds its arguments in Scripture compares doctrinal views and invites readers to test everything against the Word of God not tradition consensus or culture Whether used for personal study classroom engagement or group discussion this

book will help readers Identify theological drift in today s church Compare key doctrines against Scripture itself Engage contentious issues with clarity and confidence Contend for the faith with humility and courage This is not a primer on the basics of the faith It s a theological sharpening stone for those seeking to grow think and live more biblically Written by L J Anderson author independent scholar and founder of Lamad Press Contending for the Truth serves as a companion volume to his earlier work Theology and Apologetics applying that foundational method to real world doctrinal challenges Anderson holds a Master of Divinity is pursuing a PhD in theological studies and publishes accessible academically grounded works for pastors students and lay leaders alike If you re ready to think deeply study biblically and live faithfully this book will challenge and equip you Contents Introduction Why God The Moral Argument Truth The Inerrancy of Scripture Gnosticism A Biblical and Historical Response Biblical Forgiveness Biblical Church Discipline Is Christianity a Religion or a Relationship Religious Freedom Scientific Naturalism v Creationism Young Earth v Old Earth Creationism Sons of God The Doctrine of Election A Brief Call to Action Also by L J Anderson Bibliography

The Doctrine of Good Works Thomas H. McCall, Caleb T. Friedeman, Matt T. Friedeman, 2023-07-25 Christianity Today 2024 Book Award Academic Theology In Titus Paul says Christ redeemed a people zealous for good works Despite this declaration and others like it the doctrine of good works has fallen on hard times in contemporary Protestant theology and practice At best it s neglected as in most systematic theologies and in too much church teaching At worst it s viewed with suspicion as a threat to salvation by grace alone through faith alone In this important work addressing a significant gap in current theological literature the authors argue that by jettisoning a doctrine of good works the contemporary church contradicts historical Protestantism and more importantly biblical teaching They combine their areas of expertise exegesis systematic and historical theology and practical theology to help readers recover and embrace a positive doctrine of good works They survey historical Protestant teaching to show the importance of the doctrine to our forebears engage the scriptural testimony on the role of good works formulate a theology of salvation and good works and explore pastoral applications

Learning to Speak of God Mason Lee, 2023-11-16 What difference does the virtue of patience make for our ability to engage deeply in the practice of patience And how does patience help us grasp the something more that is at the heart of preaching excellence Learning to Speak of God argues that the virtue of patience is vital to our faithful and deep preaching practice that patience is a homiletical virtue In doing so this volume asks us to consider the role of character in preaching and the work of specific virtues as we go about our preaching practice Along the way it names the importance of patience as a long acknowledged Christian virtue and considers anew how this virtue shapes and empowers the practice of those who desire to preach in ways that participate in God s transforming work For those who study practice or care about preaching this volume identifies how any notion of what it means to preach well calls for those whose practice is infused with the virtue of patience
