Merchant Crusaders 1291 1352 Warfare History:

Merchant Crusaders in the Aegean, 1291-1352 Mike Carr, 2015 An examination of the changing nature of crusade and its participants in the late medieval Mediterranean *Hospitallers and Others* Christie Majoros, Maria Bonet Donato, Julia Pavón Benito, 2025-06-30 This book features a collection of essays that focus on the Hospitallers relations with others through military social and political channels within the broader Euro Mediterranean region Centered on Hospitaller settlement and activities in Rhodes and their European priories this study highlights the various encounters made possible by the far reaching and international character of the Order s activities In addition to examining Hospitaller encounters and relationships with those outside the Order this collection also includes essays that explore the internal workings of Hospitaller priories and the Central Convent of the Order during periods of change and expansion revealing a propensity for continual adaptation and reinvention Hospitallers and Others Military and Social Encounters will appeal to scholars and students alike providing a deeper understanding of the social military spiritual and institutional transformation of the Hospitallers during the medieval period **War and Religion** Jeffrey M. Shaw Ph.D., Timothy J. Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between war and religion from ancient times the three volume War and Religion An Encyclopedia of Faith and Conflict provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers The Military Orders Volume VI (Part 2) Jochen Schenk, Mike Carr, 2016-10-26 Forty papers link the study of the military orders cultural life and output with their involvement in political and social conflicts during the medieval and early modern period Divided into two volumes focusing on the Eastern Mediterranean and Europe respectively the collection brings together the most up to date research by experts from fifteen countries on a kaleidoscope of relevant themes and issues thus offering a broad ranging and at the same time very detailed study of the subject *Crusading Against Christians in the Middle Ages* Mike Carr, Nikolaos G. Chrissis, Gianluca Raccagni, 2024-03-27 This is the first book length study into crusading against Christians examining this

complex phenomenon from the twelfth to fifteenth centuries and across numerous regions from France to Russia and from southern Italy to the Baltic Whilst the crusades are an immensely popular topic those launched against Christian rulers and communities have been comparatively overlooked in the past with existing studies typically focusing on a particular area period or campaign This volume brings together the expertise of thirteen scholars on a variety of primary and secondary sources not often accessible to Anglophone readership as well as their knowledge of national discourses which have often shaped historiography It aims to serve as the first port of call for anyone who wishes to approach crusades against Christians within and without the specialism of crusader studies and to provide the basis for a thorough comparative analysis of this phenomenon covering its variety as comprehensively as possible

Military Diasporas Georg Christ, Patrick Sanger, Mike Carr, 2022-11-30 *Military Diasporas* proposes a new research approach to analyse the role of foreign military personnel as composite and partly imagined para ethnic groups These groups not only buttressed a state or empire s military might but crucially connected policed and administered parts of realms as a transcultural and transimperial class while representing the polity s universal or at least cosmopolitan aspirations at court or on diplomatic and military missions Case studies of foreign militaries with a focus on their diasporic elements include the Achaemenid Empire Ptolemaic Egypt and the Roman Empire in the ancient world These are followed by chapters on the Sassanid and Islamic occupation of Egypt Byzantium the Latin Aegean Catalan Company to Iberian Christian noblemen serving North African Islamic rulers Mamluks and Italian Stradiots followed by chapters on military diasporas in Hungary the Teutonic Order including the Sword Brethren and the Swiss military The volume thus covers a broad band of military diasporic experiences and highlights aspects of their role in the building of state and empire from Antiquity to the late Middle Ages and from Persia via Egypt to the Baltic With a broad chronological and geographic range this volume is the ideal resource for upper level undergraduates postgraduates and scholars interested in the history of war and warfare from Antiquity to the sixteenth century

The Mongol Archive in Late Medieval France Mark Cruse, 2025-02-15 *The Mongol Archive in Late Medieval France* is the first comprehensive study of contact between France and the Mongols in the late Middle Ages As these realms expanded across Eurasia the French through crusade and settlement the Mongols through conquest their encounters altered each other s understanding of the world and their place in it The Mongol influence on French culture is visible in what Mark Cruse calls the Mongol archive a wide range of materials including chronicles crusade treatises encyclopedias manuscript illuminations maps romances and travel accounts revealing how the French court made sense of a people previously unknown to the European intellectual tradition Cruse mines this archive of Franco Mongol contact to reassess France s place in the continental history of medieval Eurasia By comparing the French and Mongol courts Cruse shows how their similarities allowed meaningful communication between them and highlights the surprising connections diplomatic intellectual and genealogical across vast distances The library of King Charles V r 1364 1380 one of the largest in medieval Europe is a monument to the richness of

these encounters which anticipate the global interconnectedness of the modern world Ultimately the innovative approach in The Mongol Archive in Late Medieval France toward French conceptions of and relations with the Mongols demonstrates how a global perspective transforms our understanding of the medieval world

Military Orders and Crusades Peter Edbury, Paul Webster, 2025-08-29 This volume celebrates the work and impact of Professor Helen Nicholson by bringing together twenty two chapters by colleagues former students and friends which focus on her major research interests the Military Orders women in the Middle Ages and the history of the crusades and the Latin East These chapters develop and continue discussion that owes much to Nicholson s research contributions which she has continued since retirement from her chair in Cardiff University in 2022 They are sorted into five parts reflecting a range of themes everyday life of the Military Orders women in their royal crusading and Military Orders contexts the Military Orders in England and their members aspects of warfare in the Latin East and in Europe and new findings about the history of crusading and the Military Orders that can be derived from the careful study of archives records and manuscript sources This book will appeal to researchers and students interested in Medieval History the crusades the Military Orders and Women s History

Journal of Medieval Military History: Volume XXI Kelly DeVries, Clifford J. Rogers, John France, 2023-06-06 The leading academic vehicle for scholarly publication in the field of medieval warfare Medieval Warfare The twenty first volume of the Journal of Medieval Military History begins with three studies examining aspects of warfare in the Latin East an archaeological report on the defenses of Jerusalem by Shimon Gibson and Rafael Y Lewis a study of how military victories and defeats viewed through the lens of carefully shaped reporting affected the reputation and the flow of funds and recruits to the Military Orders by Nicolas Morton and an exploration of how the Kingdom of Jerusalem quickly recovered its military strength after the disaster of Hattin by Stephen Donnachie Turning to the other side of the Mediterranean Donald J Kagay analyzes how Jaime I of Aragon worked to control violence within his realms by limiting both castle construction and the use of mechanical artillery Guilhem P pin also addresses the limitation of violence using new documents to show that the Black Prince s sack of Limoges in 1370 was not the unrestrained bloodbath described by Froissart The remaining three contributions deal with aspects of open battle Michael John Harbinson offers a large scale study of when and why late medieval men at arms chose to dismount and fight on foot instead of acting tactically as cavalry Laurence W Marvin reconsiders the Battle of Bouvines concluding that it was far from being a ritualized mass duel Finally Michael Livingston elucidates some principles for understanding medieval battles in general and the battle of Agincourt in particular
