Merciless Charity A Charity Styles Novel Caribbean Thriller Series 1:

Fallen Pride Wayne Stinnett, 2014-04 Retired Marine Jesse McDermitt faces an antagonist unlike none that he's faced before post traumatic stress. A friend's son dishonorably discharged from the Corps is suffering from nightmares brought on by an incident that was the catalyst for his discharge. With Jesse's help, he learns to cope with his demons and gets his discharge overturned so that he may once again serve the country he loves. Meanwhile, another foe is out to get Jesse, Deuce, and anyone else who gets in the way, including a highly placed elected official. When it's learned that the foe is one of their own, all hell breaks loose around the Florida Keys. The royalties earned from this novel are donated to Veterans charities.

Ruthless Charity Wayne Stinnett, 2016-09-10 After licking her physical and emotional wounds for several months, Charity Styles finally has a shot at redemption when her handler offers her a mission. It's dangerous, sure, but Charity also knows that it's meant as a test of her self-control. In the jungles of Venezuela, a land baron controls the native population with an iron fist and a security team with over-indulged libidos and quick trigger fingers. The indigenous people live in fear, all but one old shaman who has a vision of the future. A vision that includes piranha and crocodiles. Charity's target is a single man. But when she learns of the atrocities committed by the land baron and the carnage inflicted on the defenseless Wanadi people by his security team, will she stop at that? Can she keep her blood lust in check this time?

Enduring Charity Wayne Stinnett, 2018-04-15 When her position with the government is eliminated, Charity Styles is faced with an uncertain future. The only part of her previous life that she truly enjoyed was sailing her classic sloop. The cruising lifestyle is wonderful and helps keep her mind centered as she sails from one anchorage to another, looking for her true calling. But there are hidden dangers: marauding pirates, psychopaths, and drug smugglers run rampant throughout the Caribbean, leaving pain and suffering in their wake. In the Bahamas, someone close to Charity falls victim to the brutality, leaving her alone and despondent with nobody to turn to. She wants revenge, but when other victims appear, she must change course, adjust her sails, and work to get them out of a very perilous situation. Old friends arrive to help. But will their small entourage be sufficient? And will they be able to mobilize quickly enough?

Lost Charity Wayne Stinnett, 2021-11-29 After a long hiatus, Charity Styles is itching to get back into the fray. She's had a succession of minor assignments, none of which provided her with the action she craves. After months of recharging and rethinking her position in the Armstrong organization, she's on the verge of walking away, returning to what could be a more normal life. But what's a normal life look like for a former covert assassin? Then she gets two assignments which have nothing to do with each other. The first is to ferry a group of people out to a large mega yacht. When it turns out that one of those people is the girl she thinks of as a niece and the mega yacht is captained by an old friend, she sets her sails and is quickly underway. What the second assignment is will not only test Charity's abilities as an undercover asset to the giant Armstrong Research conglomerate but will also assess her ability to keep a lid on her emotions when faced with the type of people she most loathes. From the Cayman Islands to the Eastern Caribbean coast,

of Brazil and finally the U S Virgin Islands her mental state is constantly being tested Will she find the one person who is at the head of a vast sex trafficking operation Or will she become just another victim to the traffickers Will she even be able to restrain her inner demons when she encounters the worst of the worst of human society **Vigilant Charity** Wayne Stinnett,2019-06-28 Charity Styles has been wandering the Pacific aimlessly aboard her beloved sloop Wind Dancer and only recently returned to the turquoise waters of the Caribbean Entering a secluded cove in the Sea of Abaco in the Bahamas she runs into an old acquaintance and the woman s young daughter The two have a few things in common not the least of which are four men s bodies at the bottom of a 600 foot deep blue hole on Hoffman s Cay The reunion is fraught with what ifs What if Charity had enjoyed a normal childhood like her friend s young daughter What if her mother hadn t abandoned her as a child What if her father hadn t died when she was in college What if Victor hadn t been murdered Just as Charity begins to relax and truly enjoy the companionship of a good friend disaster strikes In an instant she s faced with a terrible choice that will push Charity to her limits Her action could mean the difference between life and death for both mother and daughter When Charity s two worlds collide violently a drug running operation is exposed as well as a slick southern lawyer Will Charity handle things in her usual way *Merciless Charity* Wayne Stinnett,2016-09-10 What can be done to stop madness from sweeping the world when political indecision is the norm When the nation s leaders lack the backbone to stand up to them what can stop an enemy that knows no rules Charity Charity Styles is a former Olympian and U S Army helicopter pilot Captured and tortured by terrorists in Afghanistan after the opening blows of the War on Terror Charity has a score to settle Now working for the Department of Homeland Security she is offered the opportunity to make a real difference Critical memories of her ordeal are buried deep in Charity s subconscious When the director of Homeland Security s vaunted Caribbean Counterterrorism Command discovers the key to unlocking Charity s past he unleashes a tempest the fury of which no enemy can prepare for Already a martial arts instructor and pilot Director Stockwell guides her training in marksmanship and spycraft making Charity the most dangerous asset in America s covert arsenal Charity then sets her sails crossing the sea in an antique sloop A single minded all encompassing determination stays her course To confront the enemy and play by their rules **Reckless Charity** Wayne Stinnett ,2017-03-28 Charity Styles is a world class sharpshooter martial arts expert and government assassin but after a stressful assignment all she wants is a little time to unwind on the quiet side of St Thomas the picturesque Magens Bay What does she get A hurricane an ex drug dealers a psychotic murderer an amorous developer and forced to stay in the rowdy tourist town of Charlotte Amalie Naturally By the time she sails Wind Dancer back to her beloved Magens Beach a storm is brewing that threatens to displace her again but this is a man made storm and Charity has had all she can take She s stressed and reckless and not even her friends can hold her in check as she takes on a fight that could change her future and the future of those she cares for **Liable Charity** Wayne Stinnett,Kimberli Bindschatel,2023-07 *Liable Charity* Wayne Stinnett,Kimberli Bindschatel,2023-06-19 Charity Styles had
