**Righteous Living** Teresa Allissa Citro, PhD, Linda A. Knowles, PhD, Justin Noah Citro, PhD, 2022-07-12 There is no point in expecting anything from God without living righteously before Him If you desire the blessings of God in your life you want to see miracles worked in your family and you want God to hear and answer your prayers there is only one way to do this living a righteous life before God Discover the meaning of righteous living from the real lives of Biblical characters such as Elisha and the poor widow Tamar Judah's daughter in law Abigail Bathsheba Caleb Esau Noah and Judas Living in rebellion and defiance towards God results in catastrophic consequences while righteous living brings glorious blessings and rewards The righteous shall prevail The righteous are drawn to His side with everlasting love Set your face like flint determine to do His will and live by His ways and His commands knowing that you will not be brought to disgrace but will be called righteous

future of hope and love      **The Repentance of YHWH** Sonya Shetty Cronin, 2025-07-01 The Repentance of YHWH is not an attempt to recover the historical Jesus by looking through Mark's textual window even if the things the real Jesus said and did could have inspired such a gospel. Nor is it a book on Christian origins mining Mark for information about what the earliest followers of Jesus believed about Jesus even though it inadvertently does make claims about such Repentance is not an exercise to prove early high Christology though it does make that claim as well all while giving a richer profile about how Mark imagines Jesus as YHWH's messiah. The Repentance of YHWH is not a book about Mark's narrative architecture though it does throw light on how Mark goes about telling his story as well as the underlying story that informs his Gospel. It does not simply examine the way that Mark uses the Old Testament Greek and Hebrew through citation, explicit footnote to a specific text, allusion, implicit nod to a specific text, or echo, implicit nod to a passage. Repentance tracks the way Mark mixes multiple stories simultaneously and constantly. Repentance has taken its cues from Mark showing rather than telling, highlighting the currents of movement and demonstrating how Mark melds old with new to open up a new world. In the end, Repentance exposes the narrative fusion throughout Mark's Gospel to reveal that for Mark at least the story of Jesus and his followers is really still the story of YHWH and YHWH's Israel.
