Midrash Reading The Bible With Question Marks:

God's Echo Sandy Eisenberg Sasso, 2007 **Midrash** Sandy Eisenberg Sasso, 2013 Rabbi Sasso explores how Midrash originated how it is still used today and offers new translations and interpretations of more than twenty essential Midrash texts *Tikkun Ha'am / Repairing Our People: Israel and the Crisis of Liberal Judaism* Rabbi Jeffrey K. Salkin, 2023-11-28 October 7, 2023 was not just one of the most tragic days in modern Jewish history; it represented a profound moral and spiritual challenge to liberal Jewish denominations in America. It is a challenge Jews have faced before and we rose to the occasion, but are Jews of today up to the challenge? We have the opportunity and the obligation to reclaim a Jewish vocabulary of sanctity, activism, and the desire to stand apart from today's world. *Tikkun Ha'am: Repairing Our People* is a cry from the heart by one of American Judaism's most prolific voices. His message: the role of faith is to challenge us as individuals and to challenge society. Rabbi Jeffrey K. Salkin challenges us to rethink contemporary Jewish identity, Israel, spirituality, and popular culture. Rabbi Salkin invites readers to think deeply about the contemporary world, showing that Judaism has a stake in our world's political, religious, and cultural battles. Lectio Divina as Contemplative Pedagogy Mary Keator, 2017-12-14 Offering an original application of the ancient monastic practice of *lectio divina* to the humanities, this book demonstrates the need for further emphasis on deep reading, reflection, and contemplation in contemporary university classrooms. Each chapter provides readers with an historical overview of the four movements of this monastic method: *lectio* (reading), *meditatio* (interpreting), *oratio* (responding), and *contemplatio* (experiencing wisdom) and suggests ways to incorporate these practices in humanities courses. Keator demonstrates that the *lectio divina* method is a viable pedagogical tool to guide students slowly and methodically through literary texts and into a subjective experience of wisdom and meaning. *When Kids Ask Hard Questions: Volume 2* Bromleigh McCleneghan, Karen Ware Jackson, 2021-11-09 From the creators of *When Kids Ask Hard Questions* comes MORE questions and thank goodness responses on today's tough topics. In an increasingly complex world, children deserve thoughtful responses informed by our progressive faith values. In this second volume, for parents, teachers, and faith leaders, respected experts, pastors, and parents address more than two dozen tough topics, offering theological perspectives and suggestions for comforting and spiritually guiding children. Topics include racism and white supremacy, vaping and illegal drugs, domestic abuse and family stigma, pornography and sexuality, mental illness, and teen suicide, social media, and isolation, terminal illness, and grief. **Jesus Wasn't Killed by the Jews** Sweeney, Jon M., 2020-01-09 Christian and Jewish scholars respond to the role of Gospel texts, particularly Lenten readings, in fostering anti-Semitism. *Learning to Speak God from Scratch* Jonathan Merritt, 2018-08-14 In a rapidly changing culture, many of us struggle to talk about faith. We can no longer assume our friends understand words such as grace or gospel. Others, like lost and sin, have become so negative they are nearly conversation enders. Jonathan Merritt knows this frustration well. After moving from the Bible Belt to New York City, he discovered that the sacred terms he used to describe his spiritual life didn't connect as they

had in the past This launched him into an exploration of an increasing American reluctance to talk about faith and the data he uncovered revealed a quiet crisis of affecting millions In this groundbreaking book Jonathan revives ancient expressions through incisive cultural commentary vulnerable personal narratives and surprising biblical insights Both provocative and liberating Learning to Speak God from Scratch will breathe new life into your spiritual conversations and invite you into the embrace of the God who inhabits them

The Sacred Calling Rebecca Einstein Schorr, Alysa Mendelson Graf, 2016-05-17 Women have been rabbis for over forty years No longer are women rabbis a unique phenomenon rather they are part of the fabric of Jewish life In this anthology rabbis and scholars from across the Jewish world reflect back on the historic significance of women in the rabbinate and explore issues related to both the professional and personal lives of women rabbis This collection examines the ways in which the reality of women in the rabbinate has impacted on all aspects of Jewish life including congregational culture liturgical development life cycle ritual the Jewish healing movement spirituality theology and more Published by CCAR Press a division of the Central Conference of American Rabbis

Reimagining Exodus David Zaslow, 2017-03-01 More than half the world's population is familiar with the exodus of the Israelites from Egypt when they were liberated from slavery Religious groups and movements of liberation

from the Puritans to Mormons to the American Civil Rights Movement have used it as a template and an inspiration in their own struggles for freedom. In Jewish tradition the Exodus is applied to the individual life journey with captivities, freedoms, and wildernesses. This book will explore how the struggles in Genesis can be applied to our issues today, personal and cultural. Rabbi Zaslow weaves a connective tapestry for people of faith who no longer want their religions to divide them from each other. Reimagining Exodus takes the reader on a timeless journey. It shows how the Passover story has been a roadmap for both spiritual and personal liberation for thousands of years. As the foundational story beneath Judaism and Christianity, it is time to reimagine how this seminal story relates to our world and our personal lives today. Fr. Richard Rohr, Center of Action and Contemplation. David Zaslow has taken one of the greatest stories ever told and made it even greater. This book is a tremendous gift to anyone who is taking a journey of the soul, seeking to escape internal slavery and make it to the promised place where suffering is no more. Marianne Williamson, teacher and author of *Tears to Triumph*. With the mind of a scholar, the heart of a poet, and the soul of a Hasidic teacher, Rabbi David Zaslow explains the Biblical Exodus as more than an epic event. This book offers readers the ancient story as a contemporary compass, one which can guide our lives toward greater meaning and purpose, regardless of the faith we follow, citizenship we hold, or the politics we practice. Rabbi Brad Hirschfeld, President, Clal The National Jewish Center for Learning and Leadership.
