Might Over Right How The Zionists Took Over Palestine:

Might Over Right Adel Safty, 2022-07-01 *Might Over Right* provides a critical account of one of the most remarkable stories in the 20th century's history of international relations the history of how in the relatively short time of 30 years Zionist leaders managed with the help of Western mainly British supporters to wrestle a country away from its inhabitants and in the process to profoundly affect the course of international relations and fundamentally transform the history of the Middle East Extensively documented relying mostly on Zionist British and Israeli sources and sweeping in scope the book makes a crucial contribution to the growing effort to challenge the simplistic and reductive accounts in media and scholarship in the West one of the principal causes of the perpetuation of the conflict *Might Over Right* goes beyond the Israeli new historians accounts that focus on specific aspects of the Zionist Palestinian confrontation It also goes beyond the establishment of the state of Israel in 1948 to critically analyze the latest dimensions of the Arab Israeli conflict and of the continued Israeli Palestinian confrontation *The Power of Aipac (American-Israel Public Affairs Committee) and U.S.-Israel Special Relationship* Nor Aishah Hanifa, 2020-09-15 The Israeli Palestinian conflict is a multi dimensional conflict with numerous forces working collectively from international structure regional structure and domestic structure This book aims to offer a comprehensive reading on the AIPAC the U S Middle East Policy Israel structural fault lines and creation of the Palestinian state The book touches on specific aspects such as The macro dimension of the Israeli Palestinian conflict U S Israel Special Relationship 1948 2019 The American Jewry The AIPAC and its modus operandi in U S The U S Middle East Policy Future of the Palestinian State in the Middle East AIPAC is the strongest American Jewish lobby in the United States Many critics argue that AIPAC able to influence the U S Middle East policy thus jeopardizes the U S national interest For many decades intangible factor the soft power of American Jewry has been serving the national interest of Israel American domestic structure is embedded within liberal democratic values enable the American Jewish lobbies to operate successfully This phenomena attracted attention of many scholars such as Samuel P Huntington and George F Kennan Tony Smith David Truman John J Mearsheimer and Stephen M Walt to produce valuable literatures John J Mearsheimer and Stephen M Walt assert that the AIPAC is dangerous to U S national interest AIPAC plays an important role in preserving the U S Israel special relationship in the American soil through lobbying strategy A triangular pattern of relationships prevail between AIPAC Israel and the U S Middle East policy AIPAC serves to preserve the special relationship between Israel and U S in periods of peace and turmoil Some critics say AIPAC projects dual nationalism in their modus operandi AIPAC represents the loyal American Jews who wish to see the United States of America remains strong and powerful in international system At the same time AIPAC loves and supports Israel as the Jewish national home AIPAC aims to see Israel secured and able to survive in the volatile Middle East region Apparently AIPAC has certain level of influence over the US Middle East policy in creation of the Palestinian state AIPAC ensures creation of the Palestinian state is safe to Israel's national interest and national security

AIPAC often tries to direct the U S Middle East policy towards other contagious issues in the region to divert U S attention in the Palestinian peace process Success and failure in AIPAC s lobby depend on U S national interest in the region AIPAC never possess insurmountable power to influence the US Middle East policy AIPAC able to influence the U S Middle East policy when there is a convergence factor with the U S national interest The prime force in the U S Middle East policy is undoubtedly the U S national interest Followed by Israel s security security and stability of the Middle East However AIPAC as an instrument of policy should not be excluded from the study on the Palestinian state **Palestine and the**

Wallis,2020-09-17 While Israel has seemingly been a minor presence in Hollywood cinema *Reimagining the Promised Land* argues that there is a long history of Hollywood deploying images of Israel as a means of articulating an idealized notion of American national identity This argument is developed through readings of *The Ten Commandments* Cecil B DeMille 1956 *Ben Hur* A Tale of the Christ William Wyler 1959 *Exodus* Otto Preminger 1960 *Cast a Giant Shadow* Melville Shavelson 1966

Black Sunday John Frankenheimer 1977 The Delta Force Menahem Golan 1986 and Munich Steven Spielberg 2005 The mobilization of Israel that pervades this eclectic group of films effectively demonstrates one of the more surreptitious ways in which Hollywood has historically constructed and circulated dominant notions of American national identity Moreover in examining the most notable Hollywood representations of the Jewish state the book offers an informed historical overview of the cultural forces that have contributed to popular understandings within the United States of the state of Israel Israel s Arab neighbours and also the Arab Israeli conflict **Israel's Rights as a Nation-State in International Diplomacy** Alan Baker, 2011 A collection of articles about Israel s right of establishment as a Jewish homeland and as an independent country
