Midas Touch Why Some Entrepreneurs Get Rich And Why Most Dont:

Midas Touch Donald & Kiyosaki Trump (Robert), Donald J. Trump, Robert T Kiyosaki, 2011 Two entrepreneurial icons share experiences and insights into creating and building successful businesses What makes some business owners wildly successful What separates the entrepreneurs who build businesses from ones who just seem to create more work for themselves How exactly do the world s most prominent business builders seem to hit home run after home run The answer they have the Midas Touch Donald Trump and Robert Kiyosaki believe the world needs more entrepreneurs For the first time two of the world s most successful and influential entrepreneurs will share their own Midas Touch secrets Secrets that will both inspire you to find and fulfill your passion as well as provide you with the hands on guidance you need to be successful Through their real life stories of success failure perseverance and purpose you ll discover how they do it and whether or not you have what it takes to drive your own entrepreneurial success

Entrepreneurs and Capitalism since Luther Ivan Light, Léo-Paul Dana, 2020-08-20 In *Entrepreneurs and Capitalism since Luther* Rediscovering the Moral Economy Ivan Light and L o Paul Dana study the history of business capitalism and entrepreneurship to examine the values of social and cultural capital Six chapters evaluate case studies that illustrate contrasting relationships between social networks vocational culture and entrepreneurship Light and Dana argue that in capitalism s early stages cultural capital is scarcer than social capital and therefore more crucial for business owners Conversely when capitalism is well established social capital is scarcer than cultural capital and becomes more crucial Light and Dana then trace moral legitimations of capitalism from the Reformation to the Enlightenment the Gilded Age and finally to Joseph Schumpeter whose concept of creative destruction freed elite entrepreneurs from moral restraints that encumber small business owners After examining the availability of social and cultural capital in the contemporary United States Light and Dana show that business owners social capital enforces conventional morality in markets facilitating commerce and legitimating small businesses the old fashioned way As their networks become more isolated elite entrepreneurs must claim and ultimately deliver successful results to earn public toleration of immoral or predatory conduct

Rich Dad Poor Dad by Robert Kiyosaki 50minutes, 2017-05-24 It can be hard for busy professionals to find the time to read the latest books. Stay up to date in a fraction of the time with this concise guide. Rich Dad Poor Dad by Robert Kiyosaki is one of the bestselling books of this generation and is now taught in business schools around the world. What makes it so special? The answer is undoubtedly Kiyosaki's unique writing style: the book not only offers financial advice but also entertaining anecdotes about his childhood and the lessons he learnt from his real dad, his poor dad, and a father figure, his rich dad. Kiyosaki is the founder of the Rich Dad Company, which provides personal finance education through books, films, games, and workshops, teaching people the importance of entrepreneurship and escaping the rat race. This book review and analysis is perfect for anyone wanting to understand more about active and passive income. Anyone looking to escape the rat race. Anyone who wants financial advice from a self-made millionaire. About 50MINUTES.COM BOOK REVIEW. The Book Review series from the 50Minutes collection is aimed at anyone who is looking to learn from experts in their field without spending hours reading endless pages of information. Our reviews present a concise summary of the main points of each book as well as providing context, different perspectives, and concrete examples to illustrate the key concepts.

The Myth of Russian Collusion Roger Stone, 2019-02-19 For the first time in paperback. New York Times best-selling author Roger Stone's insider tell all about the presidential campaign that shocked the world. This consummate political strategist continues to be front-page news and has updated the book to respond to Robert Mueller's charges. Two years ago, Roger Stone, a New York Times bestselling author, longtime political adviser, and friend to Donald Trump and consummate Republican strategist, gave us *Making of the President 2016*, the first in-depth examination of how Trump's campaign delivered the biggest presidential election upset in history. But since then, the Deep State political establishment has worked tirelessly to undo those results. *The Myth of Russian Collusion* adds to and updates Stone's initial work to set the record straight: Trump's election win was a resounding repudiation of the failed leadership of both parties. The American people wanted something new, and President Trump has delivered. His tax cuts and regulatory rollbacks have given us the strongest economy in American history; he is relentless in his efforts to protect American citizens, and he refuses to do business as usual. But America's ruling elite and liberal media, feeling threatened, have conspired to create the biggest witch hunt in our country's history. The phony narrative that Trump was in cahoots with Vladimir Putin, Mueller's charges that Roger Stone knew about the Wikileaks emails before release, all is debunked here. With a new introduction that responds to the Mueller investigation, *The Myth of Russian Collusion* is the true story of the Trump campaign that the establishment doesn't want you to believe.

Quicklet on Rich Dad, Poor Dad by Robert Kiyosaki Noelle Duncan, 2012-01-05 Quicklets. Learn more. Read Less. Rich Dad Poor Dad has sold over 26 million copies and has appeared on the best-seller lists in *The Wall Street Journal*, *USA Today*, *Businessweek*, and *The New York Times*. The book has been translated into 51 languages and won an Audie award in 2001. Apparently everybody

wants to be a rich dad The enormous success of the book led Kiyosaki to turn Rich Dad Poor Dad into a series There are 11 other books in the series including a few books geared for teens to teach financial intelligence at an early age Kiyosaki cites the lack of financial education in schools as a major problem in North America This shortcoming in the American school system is part of what inspired him to write the Rich Dad series Consider it the How to Get Rich 101 class you never got in grade school The book has also inspired a series of Rich Dad workshops and financial coaching programs across the United States

The Advanced Guide to Real Estate Investing Ken McElroy, 2013-11-05 If you're interested in real estate investing you may have noticed the lack of coverage it gets in mainstream financial media while stocks bonds and mutual funds are consistently touted as the safest and most profitable ways to invest According to real estate guru Ken McElroy that's because financial publications tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services On the other hand real estate investment is something you can do on your own without a large amount of money up front Picking up where he left off in the bestselling ABC's of Real Estate Investing McElroy reveals the next essential lessons and information that no serious investor can afford to miss Building on the foundation of real estate investment 101 McElroy tells readers How to think and operate like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Spiritual Tsunami Fred Thompson, 2012-03 Current events in the news more and more read and sound like the fulfillment of end times bible prophecies Correlation between the bible and current events is clearer now than five years ago We cannot afford to keep sticking our heads in the sand about this convergence We are not there yet but things are plainly making strong headway toward the reality of prophesied end times happenings The key word is Watch We must remain knowledgeably vigilant Scripture must be studied for clues and signposts of last day events and then comparison must be made with reported events to discern how they relate to one another

Sales Dogs Blair Singer, 2013-02-28 The number one skill for any entrepreneur or business owner is the ability to sell Why Because sales income Yet many fail financially not because they do not have great ideas or even good work ethic but typically because they don't know how to refuse to be afraid to or don't think it is important to know how to sell SalesDogs was written as the very first of the Rich Dad Poor Dad how to Advisory series to teach in a very fun and impactful way how to overcome the fears the myths and the obstacles to selling your products services or yourself It then teaches a simple time proven process of selling that will generate great income in most any business The reader will learn the five most important selling skills to master how to overcome any objection manage a territory and much more The book quickly debunks the idea that you have to be an overly aggressive attack dog to be successful It uses the metaphor of man's best friend to say that a great sales person is like a loyal persistent and lovable canine It stipulates that there are five different breeds or

personalities of SalesDogs that can each make a lot of money by playing to its strength You will learn how to identify maximize and train to that strength and also how to teach others on your team to do the same While the book is fun and engaging it also dives deep into the personal development issues that block a person s ability to generate income and how to overcome them The book is perfect for first time salespeople individuals who are uncomfortable with the notion of selling those who need to train others to sell and those who want to simply get better quicker

Why Donald Trump? Milco Baute,2017-12-31 This book explains from a neutral point of view by the perspective of the Christian philosopher professor and editor Milco Baute who is neither a Democrat nor a Republican the reasons why God and the citizens in most of the nation s states chose to Donald Trump as president A personal investigation and through the opinions of many people of the two parties registered independent minor parties and unaffiliated to a specific party Ten fundamental reasons why a man like Trump without experience as a politician entrepreneur ex democrat and public celebrity with his arrogant and despotic character comes by God s will and election of the voters to be the president of the the most powerful nation in the world Written a year after being elected president of the United States of America
