Christopher Lynch,2019-07-01 Anxiety can be overwhelming for children with autism It doesn't need to be The anxiety levels commonly found in children with autism affect social skills memory learning and attention span and often lead to meltdowns Those who live or work with kids on the spectrum are acutely aware of how disruptive anxiety can be However we are rarely provided with clear guidance on how to manage this anxiety This book bridges that gap Through his twenty plus years as a clinical psychologist Dr Lynch has devoted his career to relieving distress in kids with autism and related disorders Lynch identifies five factors that are commonly known to elicit anxiety in children with autism and breaks down how to tackle each topic in a manageable and effective way These factors include Rigidity Sensory Sensitivities Social Challenges

Communication Barriers Task Frustration With this clear and comprehensive guide parents teachers and therapists can take the first crucial step towards managing anxiety relieving distress and unlocking potential **Text-Dependent Questions, Grades 6-12**

Douglas Fisher,Nancy Frey,Heather Anderson,Marisol Thayre,2014-09-02 Fisher Frey's answer to close and critical reading No doubt since the cave paintings of prehistoric times humans have asked questions to make sense of the message So what could possibly be new about posing questions about text Plenty and with TDQ Doug Fisher and Nancy Frey reveal it all After one quick read you will have learned all the very best ways to use text dependent questions as scaffolds during close reading and the big understandings they can yield especially when executed the Fisher and Frey way But that's just for starters Fisher and Frey also include illustrative video actual texts and questions examples from across content areas and an online professional learning guide making the two volumes of TDQ a potent professional development tool across all of K 12 The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways that help teachers organize the journey through a text and frame an extended discussion around it Step by step this approach ensures that in every close reading lesson students are guided to consider explicit and implied meanings and deeply analyze and appreciate various aspects of a text especially those that may be challenging or confusing Here's how the four inter related processes play out with every why and every how answered What does the text say general understandings and key details How does

the text work vocabulary structure and author s craft What does the text mean logical inferences and intertextual connections What does the text inspire you to do write investigate present debate The cool thing These questions ignite students engagement and discussion because they strategically lead students to a place of understanding where explicit and implied meanings and interpretations can be debated Far from being overly literal or teacher led the questioning framework Fisher and Frey advance enhances the quality of student talk and idea generation All in all there s no better resource to cultivate students capacity for independent reading and incisive thinking Longtime collaborators and recipients of numerous teaching and leadership awards DOUGLAS FISHER and NANCY FREY are Professors of Educational Leadership at San Diego State University as well as teacher leaders at Health Sciences High Middle College
