Midlife Manhood And Ministry:

Midlife, Manhood, and Ministry Donald Hilliard, Rhoda McKinney-Jones, 2013 Middle age For some those two simple words can instill fear Pastor or parishioner each us of has the same worries about longevity past mistakes transitions in marriage and parenting and obvious changes in libido as well as a nagging longing for what was and what has been from the Introduction Do those words resonate or strike a note of terror in your heart Allow husband father and pastor Donald Hilliard to walk with you through the disconcerting days of midlife Find strength and encouragement as he shares his own story and the stories of other men of faith and fallibility who have already made the sojourn ahead of you Book jacket **Manhood**

Impossible Scott Melzer, 2018-08-31 In *Manhood Impossible* Scott Melzer argues that boys and men's bodies and breadwinner status are the two primary sites for their expression of control Controlling selves and others and resisting being dominated and controlled is most connected to men's bodies and work However no man can live up to these culturally ascendant ideals of manhood The strategies men use to manage unmet expectations often prove toxic not only for men themselves but also for other men women and society Melzer strategically explores the lives of four groups of adult men struggling with contemporary body and breadwinner ideals These case studies uncover men's struggles to achieve and maintain manhood and redefine what it means to be a man *Am I Sleeping with the Enemy?* Ron Clark, 2010-07-01 When a boy cries his father trains him in the way of the ancients He is taught to man up and rejects anything feminine in his life Thus he begins the process of becoming a man in the image of his culture This transformation comes at the expense of his own

calling to reflect the image of God Men and women however were both created in this divine image and were meant to live in harmony rather than enmity Recently influential Christian writers and leaders have suggested that men have become too feminized and need to return to their calling to be real men Clark believes that this new masculinity is in reality a return to the way of the ancients Drawing from his experiences as a minister domestic and sexual violence prevention advocate and community leader Clark suggests that Jesus came to redefine masculinity and resist the cultural view of manhood power and oppression **The Making of Manhood** William James Dawson, 1894 *Masculinities and Manhood in Contemporary Irish Drama*

Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism *Masculinities and Manhood in Contemporary Irish Drama* charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women's and Queer drama It thus takes its readers on a journey a journey that begins

with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis

BROKEN TO REDEEMED MANHOOD RESTORED Edward Nurge, 2024-11-13 Broken to Redeemed Manhood Restored is meant for anyone who's asked questions like how do I deal with my emotions or relationships in healthy ways Okay I know I'm not in the best place because of fear pain or shame but how do I move forward Why does my past keep holding me back What's the benefit of counseling or support groups Are they enough I'm ready to give up on church or a relationship with Mom or Dad or a friend what can I do Nothing is held back in poetry as I wrestle with God with my feelings and thoughts and with my desires to heal and become whole It includes insights from other authors too in living as a single adult along with the difference between facade and persona It should be encouraging for anyone who is healing or knows someone who is healing from life's setbacks

Raising a Modern-Day Knight Robert Lewis, 2011-09-06 What does it mean to be a man Moreover how do you as a father instill that reality in your son By Raising a Modern Day Knight The medieval custom of knighthood offers a unique approach to shaping a boy into a strong godly man Centuries ago select boys went through a rigorous years long process of clearly defined objectives goals and ceremonies with the hope of achieving knighthood Along the way they acquired a boldly masculine vision an uncompromising code of conduct and a noble cause in which to invest their lives They were the heroes of their age In much the same way Raising a Modern Day Knight will show how you too can confidently guide your son to the kind of authentic biblical manhood that can change out world Complete with ceremony ideas to celebrate accomplishments and ingrain them in the mind of a knight in training this resource is as insightful as it is practical in raising a boy to be a chivalrous godly man

Robinson (of Middleton.), 1864 **Midlife Crisis** Susanne Schmidt, 2020-03-01 The phrase midlife crisis today conjures up images of male indulgence and irresponsibility an affluent middle aged man speeding off in a red sports car with a woman half his age but before it became a gendered cliché it gained traction as a feminist concept Journalist Gail Sheehy used the term to describe a midlife period when both men and women might reassess their choices and seek a change in life Sheehy's definition challenged the double standard of middle age where aging is advantageous to men and detrimental to women by viewing midlife as an opportunity rather than a crisis Widely popular in the United States and internationally the term was quickly appropriated by psychological and psychiatric experts and redefined as a male centered masculinist concept The first book length history of this controversial concept Susanne Schmidt's Midlife Crisis recounts the surprising origin story of the midlife debate and traces its movement from popular culture into academia Schmidt's engaging narrative telling of the
