Miguel Trevino The Neighbors:

Distant Neighbors Alan Riding, 2011-07-06 A study of Mexico political social cultural economic by a journalist who was for the past 6 years the NYT bureau chief in Mexico City With portraits of Mexico's top leaders about a nation whose stability is vital to our national well being ZeroZeroZero Roberto Saviano, 2015-07-14 Zero zero zero flour is the finest whitest available Zero zero zero is also the nickname among narcotraffickers for the purest highest quality cocaine on the market And it is the title of Roberto Saviano's unforgettable exploration of how the cocaine trade knits the world into its dark economy and imposes its own vicious rules and moral codes on its armies and through them on us all Saviano's Gomorrah his explosive account of the Neapolitan mob the Camorra was a worldwide publishing sensation It struck such a nerve with the Camorra that Saviano has lived with twenty four hour police protection in the shadow of death threats for more than seven years During this time he has become intimate with law enforcement agencies around the world Saviano has broadened his perspective to take in the entire global corporate entity that is the drug trade in cooperation with law enforcement officials who have fed him information and sources and used him to guide their own thinking and tactics Saviano has used this extraordinary access to feed his own groundbreaking reportage The result is a truly amazing and harrowing synthesis of intimate literary narrative and geopolitical analysis of one of the most powerful dark forces in the global economy In Zero Zero Zero Saviano tracks the shift in the cocaine trade's axis of power from Colombia to Mexico and relates how the Latin American cartels and gangs have forged alliances first with the Italian crime syndicates then with the Russians Africans and others On the one hand he charts an astonishing increase in sophistication and diversification as these criminal entities diversify into many other products and markets On the other he reveals the threat of violence to protect and extend power and how the nature of the violence has grown steadily more appalling Saviano is a journalist of rare courage and a thinker of impressive intellectual depth and moral imagination able to see the connections between far flung phenomena and bind them into a single epic story Most drug war narratives feel safely removed from our own lives Saviano offers no such comfort As heart racing as it is heady Zero Zero Zero is a fusion of a variety of disparate genres into a brilliant new form that can only be called Savianoesque *Reign of Terror* Leo Silva, 2024-11-10 *Reign of Terror* by Leo Silva is a gripping true crime memoir that takes readers deep inside the brutal world of Mexico's Los Zetas cartel Former DEA Special Agent Silva brings unparalleled insight recounting his years on the front lines in the relentless fight against one of the world's most violent criminal organizations This powerful narrative unveils the hidden realities of the drug war from the complex relationships between the cartels and law enforcement to the personal sacrifices made by those who risk everything to protect others With raw detail and authenticity Silva sheds light on the lives of those entangled in a web of corruption power and violence *Reign of Terror* is more than a recount of battles won and lost it's a story of courage resilience and the cost of justice A must read for fans of true crime and international intrigue In *Reign of Terror* Leo Silva masterfully recounts the rise and fall of the

notorious and ultra violent Los Zetas cartel But more than just retelling the story Leo s work is filled with inside information and insights that bring the reader into the world of those tasked with dismantling Los Zetas Compelling Leo brings profound humanity to the fight against the Zetas a fight that brought both victories and tragedies all of which are deeply felt by the reader Jack Luellen Author of Someone Had to Die Podcast Host Cartels Conspiracies and Camarena **Reporting at the Southern Borders** Giovanna Dell'Orto,Vicki L. Birchfield,2013-10-15 Undocumented immigration across the Mediterranean and the US Mexican border is one of the most contested transatlantic public and political issues raising fundamental questions about national identity security and multiculturalism all in the glare of news media themselves undergoing dramatic transformations This interdisciplinary international volume fills a major gap in political science and communication literature on the role of news media in public debates over immigration by providing unique insider s perspectives on journalistic practices and bringing them into dialogue with scholars and immigrant rights practitioners After providing original comparative research by established and emerging international affairs and media scholars as well as grounded reflections by UN and IOM practitioners the book presents candid in depth assessments by nine leading European and North American journalists covering immigration from the frontlines ranging from the Guardian s Southern Europe editor to the immigration reporter for the Arizona Republic Their comparative reflections on the professional institutional and technological constraints shaping news stories offer unprecedented insight into the challenges and opportunities for 21st century journalism to affect public discourse and policymaking about issues critical to the future of the transatlantic space making the book relevant across a wide range of scholarship on the media s impact on public affairs Narconomics Tom Wainwright,2016-02-25 Everything drug cartels do to survive and prosper they ve learnt from big business brand value and franchising from McDonald s supply chain management from Walmart diversification from Coca Cola Whether it s human resourcing R D corporate social responsibility off shoring problems with e commerce or troublesome changes in legislation the drug lords face the same strategic concerns companies like Ryanair or Apple So when the drug cartels start to think like big business the only way to understand them is using economics In Narconomics Tom Wainwright meets everyone from coca farmers in secret Andean locations deluded heads of state in presidential palaces journalists with a price on their head gang leaders who run their empires from dangerous prisons and teenage hitmen on city streets all in search of the economic truth
